**CHRISTIAN DOCTRINE & SYSTEMATIC THEOLOGY**

**This is the Second Course in the CDI Program**

The core CDI courses are:

1. Bibliology and How to Study the Bible
2. **Doctrine**
3. New Testament
4. Old Testament
5. Church History
6. Evangelism, Teaching and Preaching

This course will help you as Christians know what you believe and why you believe it.

While the coursework for the **Contenders Discipleship Initiative** can be taken independently by utilizing the online resources, your learning experience will be greatly enhanced when the content is delivered in a classroom setting. This is most certainly true for **Systematic Theology and Christian Doctrine**.

This course gives you an overview of major Biblical doctrines, putting them in context of a systematic theology. While most evangelical Christians agree that doctrine should come from the Bible, the reality is that the influences of culture and church tradition often undermine the clear teaching of God’s Word.

You will learn to evaluate various doctrinal viewpoints from Scripture and determine which doctrines are absolutely essential to the Christian faith. At the end of the course, you will produce your own statement of faith comprised of those doctrines for which you would be willing to die.

One of the greatest challenges is to distinguish between Biblically essential doctrinal viewpoints and those for which Christians might agree to disagree. This course uses the “target model” to facilitate making these distinctions.
At the end of each video session, you will be challenged to consider which concepts are absolutely essential to the Christian faith. These “bulls-eye” doctrines are those which are clearly taught in the Bible and should be part of every Christian’s personal statement of faith.

There is no required textbook for this course. However, *Lectures in Systematic Theology* by Henry Thiessen is highly recommended. Thiessen presents systematic theology from a dispensational viewpoint. Because I, [Ken Ainsworth, your video instructor], tend to gravitate more toward a covenant theology, Thiessen’s work will serve to broaden the perspective.

Suggested reading assignments from this textbook are included in the course schedule.

I’ve been privileged to teach this course a number of times over the years. Each quarter, I develop wonderful relationships with my students, several of whom have gone on to full-time pastoral ministry. Their questions challenge me to continue to search the Scriptures to find out whether these things are so Acts 17:11. I believe I’ve been able to challenge them in similar ways. My prayer for you is that you would have a similar experience. The study of Biblical doctrine is a life-long enterprise that fuels Christian growth and sanctification. May you have the incredibly rewarding experience of assisting others along that path.

Ken Ainsworth, July, 2014
HOW TO USE THIS GUIDE

This student’s guide is used in conjunction with the online video course developed for Christian Doctrine and Systematic Theology.

As a first step, you must register prior to taking this course. Registration is found at www.vmcontenders.org/register.html

This guide is designed to be used as you attend either a pastor-led or self-study session of this course. This guide can help you in three ways:

1. **Follow along with the video and take notes.** Space is provided in the guide to take notes as you work through the sessions.

2. **Utilize worksheets:** The student’s guide includes activity worksheets which allow you to apply what you have learned. If you are going through this course as a self-study session, you may also want to download the Instructor’s guide as well. The Instructor’s guide has extra notes filled in as well as instructions to the pastors on how to conduct an assignment. Also, in the Instructor’s guide, a teacher’s copy of each worksheet, including answers and hints, follows the worksheet.

3. **Assess progress:** Finally, this guide includes a final assessment that you can take to test your knowledge.

How the guide is organized.

This guide is broken into sessions that follow along with the course videos. Also in this guide are learning objectives, reviews, quizzes and a glossary of terms. The curriculum is designed to be presented in Module and Session sequence.

Each module also uses the following icons:

**Special Note**

*Christian Doctrine and Systematic Theology* was recorded at Contenders Bible School of Machias Community Church.

These sessions, as presented in the Contenders Discipleship Initiative, have been broken into smaller segments for pastor/mentor-led classes as well as independent distance learners.

Pastor Ken's Student Guide has since been updated to match the structure of the video course as presented in the CDI and is available as the Student Guide on the CDI website.

If you have any feedback for CDI concerning the videos or this guide, please feel free to report them at [www.vmcontenders.org/feedback.html](http://www.vmcontenders.org/feedback.html). We look forward to hearing from you.

**STUDENT EVALUATIONS**

Contenders Discipleship Initiative uses a narrative evaluation approach rather than issuing grades during a student’s course of study. An online form is completed after each course that indicates what a student has learned.

The complete Contenders Discipleship Initiative Narrative Evaluation consists of two written evaluations for each course: one from the Local Instructor for each student attending a course and one from the student giving a self-assessment.

Students who subsequently apply to Village Missions will need to have these evaluations recorded in the CDI Learning Management System for each course.

The online Local Instructor’s Student Evaluation can be found at:

vmcontenders.org/pastor_assessment.html

The Student Self Evaluation form can be found at:

vmcontenders.org/student_assessment.html

The student’s Self Evaluation summarizes your accomplishments while taking the course, any new understandings achieved, and the your goals for the future.

COURSE GOAL

This course gives students an overview of major Biblical doctrines, putting them in context of a systematic theology.

Theology is the study of God and how He relates to His universe through His sovereign will, His decrees and His works.

Systematic theology provides a framework for organizing the findings of theology. Theology is comprised of doctrines, which are teachings about God and His creation. The exclusive source for evaluating the veracity of doctrine must be God’s special revelation which we have preserved in our Bible.

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.
2 Timothy 3:16-17

While most evangelical Christians agree that doctrine should come from the Bible, the reality is that the influences of culture and church tradition often undermine the clear teaching of God’s word. Students in this course will learn to evaluate various doctrinal viewpoints from scripture and determine which doctrines are absolutely essential to the Christian faith. At the end of the course, students will produce their own statement of faith comprised of those doctrines for which they would be willing to die.

It is highly recommended that you have first completed Bibliology and How to Study the Bible as the skills gained in that foundational course are invaluable for determining and evaluating Biblical doctrine.

Upon completing this course you will have a solid foundation for further study and will be able to identify aberrant teachings and heresy.

### VIDEO SESSIONS, QUizzes AND GUIDE BOOKS

The notes in the guides for each video session are designed to focus your attention on the most important points.

It is recommended that you to read through the notes **before** starting the corresponding video. This will allow give you a chance to look for the missing words as the video progresses.

At the end of most note guides, there will either be a short set of review questions, or a table entitled **Essential Doctrines**. These should be completed before moving on to the next video.

**Exams and Quizzes**

All exams and quizzes are open book, open note and open Bible. They are designed for review and for reinforcing key concepts. They are not primarily intended for evaluation. They should be assigned as take-home tests. The following session can then be used to evaluate ("grade") your own tests.
SESSION 1, MODULE 1 - INTRODUCTION TO DOCTRINE

At the end of this lesson, you will:

Know the scope and sequence of the course.
Define and contrast the terms “Doctrine” and “Systematic Theology”

The word “doctrine” is found in the Bible and means ______, _______, ______.

And they continued steadfastly in the apostles’ doctrine and fellowship, in the breaking of bread, and in prayers.
Acts 2:42

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.
2 Timothy 3:16-17

The study of God and how He relates to His universe is called ____________________.

Theology, in contrast, is not a word we find by itself in the Bible.

It is derived from two Greek words: The first is Theos, which means God. The second is logos, which literally means “word,” but it is far more than just a word spoken or written on a page. It carries the idea of the totality of everything there is to know about a subject.

Question:
How would you relate the two terms “doctrine” and “theology” to one another?

When we put everything we know about God into an organized framework, we have a ____________________.
Start thinking about your personal statement of faith. It is to be a series of concise statements of what you believe regarding your Christian faith, supported by applicable scripture. As we begin to investigate the nature of God, you will want to start drafting your statement. As you learn more, you will add to the document, and perhaps modify the document to more closely conform to what is taught in the Bible. More information about this assignment to follow in Session 1, Part 3.

REVIEW QUESTIONS: INTRODUCTION TO DOCTRINE

1. What is the relationship between doctrine and theology?

2. Do you think your personal statement of faith might change as you learn more about the Bible? Why or why not?

3. Why is it necessary to have an organized system of belief?
SESSION 1, PART 2 - WHERE DOCTRINES ORIGINATE

At the end of this session, you will be able to:

Articulate three major sources from which Christian beliefs come.  
Defend Scripture as the final authority for all essential doctrine.  
Share the “target model” for determining how essential a particular doctrine is.

Evangelical Christians assert that they get their doctrine exclusively from the __________________________. “That we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftsmanship of deceitful plotting, Ephesians 4:14

- However, for professing Christians, church __________________________ has a great deal to do with what they believe about God.

  - We need to be like the noble __________________________ who searched the Scriptures daily to find out whether these things were so. Acts 17:11

  - Whether we admit it or not, our __________________________ also has a profound effect on what we believe.

    - “The heart is deceitful above all things, and desperately wicked; who can know it?” Jeremiah 17:9

    - The idea that truth is culturally determined comes from __________________________ philosophy.

    - There is a way that seems right to a man, but its end is the way of death. Proverbs 14:12

- Any doctrine that we claim to believe from the __________________________ must always be clearly found in the __________________________.

  - We must never be guilty of perverting the Word of God to support a doctrine gained from tradition, previous instruction, or solely from our own reason.

- The Bible, in its original autographs, is the __________________________
  __________________________ __________________________ __________________________.
2 Timothy 3:16
given and interpreted by the working of God the Holy Spirit.
2 Peter 1:20-21.

Label the “Doctrinal Target”

- Doctrines to Die For
- Doctrines to Defend
- Doctrines to Discuss
- Doctrines to Dismiss
REVIEW QUESTIONS: WHERE DOCTRINES ORIGINATE

1) Has what you believe about God changed since you became a Christian? If so, give one example.

2) Can you think of a belief or a doctrine that has come primarily from church tradition?

3) Some evangelical leaders say we need to modify what we teach and how we worship to appeal to the predominant culture. Do you agree? Why or why not?

4) How would you approach a fellow Christian whose belief differs on a “Doctrine to Defend”?
SESSION 1, PART 3 – THE THEISTIC VIEW OF GOD

At the end of this session, you will be able to explain the following:

Define and distinguish typical world views regarding theology.

The Beginning of Wisdom – Before viewing part 3 of the video, read and discuss the following:

- "The fear of the LORD is the beginning of wisdom, and the knowledge of the Holy One is understanding. Proverbs 9:10"

The proper goal of theology must be to know God and draw closer to Him.

- "Now faith is the substance of things hoped for, the evidence of things not seen." Hebrews 11:1

- "... without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him." Hebrews 11:6

From these passages, we learn that two preconditions necessary for pleasing God are 1) to believe He exists and 2) to believe He rewards those who seek Him.

Those two principles are the foundation of a theistic view of God.

Now view Session 1, Part 3 – The Theistic View of God

The belief system that actually denies that God exists:

_____________________________.

"... because what may be known of God is manifest in them, for God has shown it to them. For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse," Romans 1:19-20

- Ecclesiastes 3:11

- The fool has said in his heart, "There is no God." Psalms 14:1
• The belief system that doubts the existence of God but admits the possibility of His existence is ____________________________.

• The belief system that asserts everything is God and that God is in everything is ____________________________.

• The belief system that acknowledges and worships many Gods: ____________________________.

• The belief system that acknowledges two offsetting universal forces of equal power is ____________________________.

• The belief system that acknowledges the existence of God but denies that He can be personally known and asserts that He is not actively involved in His universe is ____________________________.

• When we act as if God cannot see or doesn't care what we do, we are acting as practical ____________________________.

• The system that believes in a personal, omnipresent, omnipotent God who is and always has been actively involved in His universe is ____________________________.

“And He [God] has made from one blood every nation of men to dwell on all the face of the earth, and has determined their preappointed times and the boundaries of their dwellings, so that they should seek the Lord, in the hope that they might grope for Him and find Him, though He is not far from each one of us; for in Him we live and move and have our being, as also some of your own poets have said, 'For we are also His offspring.” Acts 17:26-28

“God, who at various times and in various ways spoke in time past to the fathers by the prophets, has in these last days spoken to us by His Son, whom He has appointed heir of all things, through whom also He made the worlds; who being the brightness of His glory and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down at the right hand of the Majesty on high.” Hebrews 1:1-3

“...all things work together for good to those who love God, to those who are the called according to His purpose.” Romans 8:28
REVIEW QUESTIONS: THE THEISTIC VIEW OF GOD

1. According to Hebrews 11:6, what two conditions are necessary before we can please God?

2. Can you think of something you recently did that might qualify you as a practical deist?

3. Do you think it is worthwhile to quote scripture to an individual who does not recognize the authority of the Bible? Why or why not?
ASSIGNMENT: PERSONAL DOCTRINAL STATEMENT

Your personal statement of faith is to be a series of concise statements of what you believe with regard to your Christian faith, supported by applicable scripture. You should limit your assertions to those core “bulls-eye” doctrines that are absolutely essential to your faith.

You may use any format with which you are comfortable; it certainly doesn’t need to follow the format of the example. Whatever the format, your statement of faith should answer many of the following questions:

1. What do you believe about the Bible?

2. What is the nature of God?
   a. What do you believe about the Trinity?
   b. What do you believe about God the Father?
   c. What do you believe about God the Son?
d. What do you believe about God the Holy Spirit?

3. What do you believe about the works of God?

4. What do you believe about angels?

5. What do you believe about Satan?

6. What do you believe about the nature of man?

7. What do you believe about sin?
8. What do you believe about salvation?

9. What do you believe about the Church?

10. What do you believe about Heaven and Hell?

11. What do you believe about resurrection?

12. What do you believe about judgment?

13. What do you believe about Jesus’ second coming?

14. What do you believe about eternity?
PERSONAL STATEMENT OF FAITH FOR KEN AINSWORTH (UPDATED FEB 26, 2009)

I believe the Bible, in the original languages and autographs, to be the inspired, inerrant word of God and the final authority for all matters of faith and practice.

2 Timothy 3:16-17; Hebrews 4:12; 2 Peter 1:19-21

I believe in one God, the Eternal Spirit, who existed from eternity past and will exist to eternity future. Deuteronomy 6:4. I believe the one God is eternally existent in three persons, the Father, Son, and Holy Spirit. Genesis 1:2; Genesis 1:26; Matthew 3:16; John 1:1-3; John 6:27; Hebrews 1:8; Acts 5:3-4; John 14:16

God called the worlds into being, created man in His own image, and set before Him the ways of life and death. He is the Creator and Sustainer of all. Genesis 1:1; Psalm 33:6; Isaiah 48:13; Hebrews 1:10

In the person of Jesus Christ, fully God and fully man, He has come to us, shared our common lot, conquered sin and death and reconciled the world to Himself. I believe in Christ's virgin birth, His perfectly sinless life, His willing sacrifice of that life on the cross so that we as sinners may be justified before God. Romans 5:6-9

I believe that Jesus was raised (bodily) from the dead, appeared to many witnesses, then ascended to rule at the right hand of the Father, interceding for we believers. Acts 1:11 I believe that He will come again to establish His earthly kingdom. Revelation 22:12

I believe the Holy Spirit indwells Christians to draw them closer to God, teaching them God's Truth, John 14:26 testifying of Christ, John 15:26 and helping them with their Christian walk. John 16:7 He also convicts men of sin and of judgment to come. John 16:8-11 It is the Holy Spirit who leads Christians to righteousness.

I believe the Bible, in the original autographs, to be the only inspired, immutable, infallible Word of God, 2 Timothy 3:16 given and interpreted by the working of the Holy Spirit 2 Peter 1:20-21.

I believe that man is born into sin, is totally depraved, Romans 3:23 and cannot have a relationship with the most holy God apart from Jesus Christ. But by accepting the free gift of salvation made possible by Christ's death and resurrection, the Christian is able to receive God's grace through faith, which is a gift of God. Romans 10:9; Romans 3:25-26; Galatians 3:13; Ephesians 2:8-9 By the indwelling of God the Holy Spirit, the Christian is progressively sanctified and empowered to perform godly works according to the will of God. Ephesians 2:10; James 2:15-20
I believe that Jesus Christ indwells and empowers His Church, *Ephesians 1:22-23* for the edification of His saints, for evangelizing the lost, *Matthew 24:14; Matthew 28:19; Luke 24:47* and for glorifying God in this dark and darkening world. *Ephesians 3:10-12*

I believe in the bodily resurrection of all men, the saved to life, and the unsaved to condemnation. *John 5:29* I believe there is no work I can do to earn my salvation, so I must, through the faith granted to me by God, believe that Jesus paid my penalty in full so that I can spend eternity in heaven with Him. *Luke 10:20; John 14:2; Ephesians 2:8-9; Revelation 7:9*

"If you confess with your mouth the Lord Jesus and believe in your heart that God raised Him from the dead, you will be saved." *Romans 10:9*
SESSION 2, PART 1 – THE ESSENCE AND ATTRIBUTES OF GOD

At the end of this lesson, you will be able to explain:

- Why you believe God exists.
- The Biblical view of God’s existence.
- The weakness of philosophical arguments in proving God’s existence.

The Bible assumes God’s existence.

- In the beginning God created the heavens and the earth.  
  
  **Genesis 1:1**

Ample evidence for God’s existence:

- __________ revelation is evidence for God’s existence in the creation.  
  
  **Romans 1:19-20**

- __________ revelation is passed down to us in our Bibles.  
  
  **Isaiah 55:11**

Arguments from philosophy.

- Argument strictly taken from reason => a priori argument.

- Argument taken as a conclusion from observations => a posteriori argument.

  - Examples of a priori arguments:
    - Anselm’s argument
    - Clarke’s argument

  - Examples of a posteriori arguments:
    - Cosmological argument
    - Teleological argument
    - Moral argument
    - Concept of perfection

- Philosophical arguments give a body of evidence that is most easily explained by God’s existence.
  - A philosophic principle stating one should not make more assumptions than the minimum needed is called __________ ____________.

- God’s existence requires the fewest assumptions.
• Weakness of philosophical arguments => Starting with human intellect.
  • "There is a way that seems right to a man, but its end is the way of death."  
  Proverbs 14:12
  • "Most assuredly, I say to you, unless one is born again, he cannot see the kingdom of God."  
  John 3:3

• Faith requires intervention by God the ____________________________
  • "For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast."  
  Ephesians 2:8-9
  • "The fool has said in his heart, There is no God. They are corrupt, and have done abominable iniquity; There is none who does good."  
  Psalm 53:1

REVIEW QUESTIONS: THE ESSENCE AND ATTRIBUTES OF GOD

1. How does the Bible approach the existence of God?

2. Is there evidence for the existence of God outside of the Bible? Cite scripture to support your answer.

3. Is the primary weakness to any philosophical argument?
SESSION 2, PART 2 – THE NATURE OF GOD

At the end of this session, you will be able to list and describe:
- Characteristics of God’s essence.
- God’s essential attributes.

God is Spiritual.

God is personal:

- He has intellect.
- He has emotion.
- He has will.
- He has definable attributes.

God’s Spiritual Nature

- “God is Spirit, and those who worship Him must worship in spirit and truth.”
  John 4:24

- “But will God indeed dwell on the earth? Behold, heaven and the heaven of heavens cannot contain You. How much less this temple which I have built!”
  1 Kings 8:27

- “God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands. Nor is He worshiped with men’s hands, as though He needed anything, since He gives to all life, breath, and all things.”
  Acts 17:24-25

- God is not made of matter as we are; He is a __________________________ being.
God’s Personal Attributes

- Because God thinks, we know He has ________________.
- In Scripture, we learn that God displays emotions such as...
  - ________________
  - ________________
  - ________________
- God has a purpose and displays volition. We say that he has a ________________.

God’s Definable Attributes

- God has no beginning and will have no end, so we say He is ________________.
- God has no limits or boundaries, so we say He is ________________.
- God’s power is absolutely limitless, so we say He is ________________.
- God transcends His universe and exists everywhere at once, so we say He is ________________.
- God knows absolutely everything there is to know, so we say He is ________________.
- God never changes, so we say He is ________________.
- God always keeps His word and cannot lie, so we say He is ________________.
- There is absolutely no fault in God, so we say He is the very definition of ________________.
- Related to God’s goodness is the fact that He is sacred beyond anything in His creation, so we say He is ________________.
- God has no external cause, so we say He is ________________
- God is without guilt or sin and His judgments are always perfect, so we say He is ________________.
God is the supreme, permanent authority over everything, so we say He is _________________.

SESSION 2, PART 3 – THE TRINITY

At the end of this lesson, you will be able to:
Describe what is meant by the Trinity.
Cite scriptural evidence for the Trinity.
List some common heresies regarding the Trinity.

Defining the Trinity

- The Trinity presents a problem of comprehension because we cannot fully understand God in our flesh.
- There is ___________________ God who eternally exists as __________________ distinct persons: Father, Son and Holy Spirit.
- Despite being three persons, God is one in essence. or He is essentially one.
- Despite being one God, each person of the Trinity is distinct.
- "When all the people were baptized, it came to pass that Jesus also was baptized; and while He prayed, the heaven was opened. And the Holy Spirit descended in bodily form like a dove upon Him, and a voice came from heaven which said, "You are My beloved Son; in You I am well pleased." (Luke 3:21-22)
- "For there are three that bear witness in heaven: the Father, the Word, and the Holy Spirit; and these three are one.” 1 John 5:7-8

Father, Son and Holy Spirit are each 100% God.

- The Father is God by definition.
- "But to the Son He says: "Your throne, O God, is forever and ever; A scepter of righteousness is the scepter of Your kingdom.” (Hebrews 1:8)

- The writer of Hebrews cites Psalm 45 to indicate that the ________________ Himself calls the ________________ God.
- "But Peter said, “Ananias, why has Satan filled your heart to lie to the Holy Spirit and keep back part of the price of the land for yourself? While it remained, was it not your own? And after it was sold, was it not in your own control? Why have you concealed this thing in your heart? You have not lied to men but to God.”  Acts 5:3-5
- Peter states that Ananias lied to the ________________, and then says that the lie was directed at God. So the ________________ is identified as God.
• In John 17:11, the Father is described as Holy. In Mark 1:24, the Son is described as Holy. In John 14:26, the Spirit is described as Holy. In Revelation 15:4, it states that only __________________ is holy.

• Father, Son and Holy Spirit were all involved in the __________________ and are in fact, equal co-______________.

Despite the eternal existence of three persons, there is only _______________ God.

• "Hear, O Israel: The LORD our God, the LORD is one!" Deuteronomy 6:4

• "You are My witnesses," says the LORD, "And My servant whom I have chosen, That you may know and believe Me, And understand that I am He. Before Me there was no God formed, Nor shall there be after Me". Isaiah 43:10

• The doctrine of the Trinity is not in conflict with the essential ________________ of God.

The Doctrine of the Trinity is Necessary

• Allows for eternal ________________ between members of the Godhead.

• Allows God to ________________ God.

• Allows God to ________________ for sin and provide a Mediator.

Heresies Regarding the Trinity

1. ________________ asserts that God is a single person who reveals Himself in different forms on different occasions.

2. ________________ assert that only the Father is God ________________ is only a man and the Holy Spirit is an impersonal force.

3. ________________ holds that only the Father is God and the Son was created by the Father at a point in time. The Holy Spirit is only sometimes included.

______________ is the view that only God the Father is eternal. The Son is the first created being and is not one in essence with the Father. Jesus is called God as an honorary title. The Holy Spirit is an impersonal force.

SESSION 3: A LITTLE POP QUIZ

Answer the following questions, supporting your answer from Scripture when appropriate.

1. What is the source of authority and the basis for all doctrine?

2. a. Is there evidence of God’s existence in the world and the universe?
   b. Can the existence of God be proven apart from the Bible?

3. Is there any point in quoting Scripture to a non-believer who does not recognize the authority of the Bible? Why or why not?
4. Give a name for each of the following theological viewpoints:
   a. Insists that there is no God.

   b. God exists, but He is not personal, nor is He directly involved in His universe.

   c. Admits the possibility of God, but doubts it and believes it is impossible to know for sure.

   d. Believes in a personal, omnipotent, omnipresent God who is actively involved in His universe.

5. **True or False**: The doctrine of the Trinity states that there are actually three separate Gods: Father, Son and Holy Spirit.

6. **True or False**: There is only one God, but sometimes He shows up as the Father, sometimes as the Son, and sometimes as the Holy Spirit.
SESSION 3, PART 1 – CHRISTOLOGY: THE PRE-INCARNATE CHRIST

At the end of this lesson, you will be able to:

- Give Biblical evidence for Christ’s existence in eternity past.
- Give Biblical evidence for Christ’s activity in the Old Testament.
- Give Biblical evidence that the appearances of the Angel of the Lord are pre-incarnate appearances of Jesus.

Before viewing the video, read and discuss the following:

So the Lord said to Moses, “I will also do this think that you have spoken; for you have found grace in My sight, and I know you by name.” And he said, “Please show me Your glory.” Then He said “I will make all My goodness pass before you, and I will proclaim the name of the Lord before you. I will be gracious to whom I will be gracious, and I will have compassion on whom I will have compassion.” But He said, “You cannot see my face; for no man shall see Me and live.” (Exodus 33:17-20)

No one has seen God at any time. The only begotten Son, who is in the bosom of the Father, He has declared Him. (John 1:18)

For there is one God and one Mediator between God and men, the Man Christ Jesus. (1 Timothy 2:5)

In this session, we will encounter the term Theophany. A theophany is a manifestation of God that is tangible to the human senses. There are many theophanies in the Old Testament. For example, when God appeared to Moses in the burning bush (Exodus 3:2ff), Moses experienced a theophany. Considering the scripture references above, it is worthwhile discussing which of the Old Testament theophanies were actually Christophanies, or manifestations of the pre-incarnate Christ. In fact, some assert that all Old Testament theophanies were in fact Christophanies.

Now view Session 3, Part 1 – Christology: the pre-incarnate Christ

Jesus Christ is our Savior, ________________________, ______________________ and ______________________.

John 1:1-5 is an important passage for our understanding of God the Son.

- “The Word”, or ho logos in this passage refers to ______________________.
• In the beginning,
  o Ho logos already ____________________.
  o Ho logos was ____________________God.
  o Ho logos ____________________God.

• He existed before the universe existed.

• "And now, O Father, glorify Me together with Yourself, with the glory which I had with You before the world was." John 17:5
  o From Jesus’ high-priestly prayer, we learn that Jesus was together with the Father before the world was created.
  o This shows that Jesus existed from eternity past.

• Played a key role in creation
  • God the Son was present and active throughout the Old Testament.
  • God the Son was present and active throughout the Old Testament.
  • Christ appears and is called the “Son” in Psalm 2:7 and Jehovah in Genesis 19:24 and appears numerous times as the “Angel of the Lord”

The Angel of the Lord
  • An angel is a ________________, one who speaks or acts for God.
  • Many believe the “Angel of the Lord” in the Old Testament was God the Son.
  • New Testament references to “The Angel of the Lord”, Matthew 28:2, This cannot be Christ, he was in the tomb, Acts 8:26, Acts 27:23, probably not Christ.
  • In the New Testament Christ is always indentified as being Jesus.
  • Paul indicates the activity of the pre-incarnate Christ:
    • "For they drank of that spiritual Rock that followed them, and that Rock was Christ." 1 Corinthians 10:4
      • The incident Paul refers to is in Exodus 17:6 where God provided water from the rock.

• Jesus, the only mediator between God and man. 1 Timothy 2:5, John 1:18
  • The Son has and always has had the task of being the One who carries communication between God and man.
  • Since Jesus is the mediator of the Covenant, He must also be the Angel of the Covenant. Hebrews 8:6, 12:24
• Appearances of the Angel of the Lord:
  • To Hagar *Genesis 16:13*: She calls the Angel the ____________ ______________.
  • To Abraham stopping Abraham from sacrificing Isaac. *Genesis 22:15-16*
  • The burning bush *Exodus 3:2-5*
  • Going before the children of Israel as they left Egypt. Exodus 14:19;23:20;32:34; *1 Corinthians 10:4*
  • Intercepting Balaam *Numbers 22:22-35*
  • Speaking to Gideon *Judges 6:11-24*
  • Refreshing Elijah *1 Kings 19:5-7*
  • Standing before Joshua, the high priest. *Zechariah 3:1*

**God the Son is ...**

• the Agent of ________________.

• the ________________ of creation.

• the ________________ of revelation.

• our means of communication.

• the ________________ of mediation.

• The crucifixion is an ________________ event.

Aspects of Christ’s Death.

• When Jesus died on the cross, it completely satisfied God’s ____________ for those who believe. 2 Corinthians 5:21; Romans 3:23-26
• Jesus’ sacrifice offers redemption to us. By believing in His finished work, we can be redeemed from sin’s slavery. Galatians 3:13-14

Why do we call the day Jesus was crucified “Good Friday”?
• It is the day He defeated ________________ on our behalf.
• By His sacrifice we are reconciled to God!
SESSION 3, PART 4 — CHRISTOLOGY: RESURRECTION & ASCENSION

- It was necessary for Jesus to be the head of the ________________.
  Ephesians 1:20-22
- It enables us to have a living ________________ with Christ.

The Nature of Jesus’ resurrection.

- The resurrection is a real, ________________ event.

The ascension is also a real, historical event.

Jesus’ ascension was _________________, not just spiritual. **Eph 4:8-10; 1 Timothy 3:16; 1 Peter 3:22**

Define the term “Decrees of God.”
Understand the inevitability of God’s decrees.
Explain how God’s eternal decrees support His absolute sovereignty.
Be prepared to give a response to the apparent contradiction of God’s sovereignty and man’s free agency.

Eternal decrees are those ordinances by which God, in His perfect wisdom, determined to accomplish His purpose.

SESSION 5, PART 2 – CREATION

At the end of this lesson, you will be able to:

Describe the relationship between general revelation and special revelation.
Give a reason why secular scientists or theologians might be in error.
Give the essence of the Biblical creation account.

General Revelation

- God reveals Himself in the _________________. Psalms 19:1-2; Romans 1:20
- This revelation is ________________ to all.
- This revelation is ________________, because it is impossible for God to lie. Hebrews 6:18

Special Revelation

- Given through God’s ________________ and Apostles.
- Preserved in the ________________.
- Gives the way of salvation.
- Is absolutely ________________ because it is impossible for God to lie. Hebrews 6:18
Interpretation of God’s Revelation

- Secular Science seeks truth by the interpretation of ____________ revelation.
- Secular Science can be wrong.
- Problem is with the ____________ of general revelation.
- Theology seeks truth by the interpretation of ____________ revelation.
- Theologians can be wrong.
- Problem is with the ____________ of special revelation.
- It is possible for secular science to ____________ theology.
- The ____________ should inform secular science.

“The fear of the LORD is the beginning of wisdom, and the knowledge of the Holy One is understanding.” Proverbs 9:10

- On doctrines central to ____________, the Bible has never been, nor will it ever be proven wrong.
- The ____________ of the creation story cannot be disproved by science.

The Essence of the Creation Story  Genesis 1

- God created everything.
- God created the universe out of ____________.
- God created the universe ____________.
- The creation account is true, although not exhaustive.
- The entire Godhead was involved.
REVIEW QUESTIONS: CREATION

1. Is it possible for secular science to inform theology?

2. Why should we not compromise with science on doctrines clearly taught in scripture?

3. What is the essence of the Biblical creation story in 5 steps?
SESSION 5, PART 3 – ALTERNATIVE VIEWS OF CREATION

At the end of this lesson, you will be able to:

Describe several alternative views on creation and determine which views are compatible with the Bible.

Describe the “gap theory” in relation to Genesis 1:1-2 and explain how some believers use it to reconcile Young Earth and Old Earth viewpoints.

Fundamental Questions from a Biblical Perspective:

1. Is matter eternal? ________________
2. Was matter generated spontaneously? ________________
3. Is matter a form of God as the pantheists maintain? ________________
4. Are both God and matter eternal? ________________
5. Was matter created by another, antagonistic spirit, then merely formed by God? ________________
6. The Bible clearly teaches that God made everything out of nothing.

Contrasting Views of Creation

Atheistic Evolution:

• God is not ________________ at all.
• Matter and energy, in some form, are ________________.
• Life originated by ________________.
• Species originate by a series of ________________ mutations.

Theistic Evolution:

• Evolution is the ________________ by which God created all life on Earth.
• God created earth with the ability to ________________ into present reality.
• God might be hands-off (Deistic point of view) or hands-on, guiding the process over time.

Progressive Creationism:

• Accepts present scientific model of the age of the earth.
• Reconciles it with the Bible by putting large _________________ between each day.
• Has many problems in reconciling with Genesis account.

The Gap Theory
• Genesis 1:1 refers to original creation.
• Between verse 1 and 2, Satan _________________ and was cast out of Heaven.
• The phrase "without form and void" indicates condition of destruction caused by the rebellion.
• Beginning with verse 2, God’s _________________ the heavens and earth.
• This explanation was put forth in the Scofield Bible notes.

Literal Creationist View:
• God created heavens and Earth in 6 literal days.
• God created all things from nothing by the power of His word.
• God created man _________________; not through process of evolution.

Why did God create the Universe?
• The reason is not given.
• But God did create everything.
• And God also maintains His creation.

Answer each of the following questions, citing Scripture where appropriate. You may use your Bible, textbook, reference works, computer, teacher-generated notes, or your own notes. Despite what you might have heard from the secular court system, prayer is very appropriate in school – especially before and during tests!

Section 1: Vocabulary – Define each of the following terms.

1. Pantheism

2. Polytheism

3. Deism

4. Atheism

5. Agnosticism

6. Theism
7. Infinite

8. Eternal

9. Holy

10. Omnipotent

11. Immutable

12. Omniscient

13. Theology
14. Doctrine

15. Pneumatology

16. Christology

17. Anthropology

18. Atheistic evolution

19. Theistic evolution

20. The Gap Theory of Genesis
Section II: Short Answer – Answer each of the following in a phrase or a sentence. Cite Scripture where appropriate.

21. When we say “the pre-incarnate state of Christ”, what are we talking about?

22. What do we mean when we talk of God’s ”personality”?

23. If you could use only two words to describe God’s nature, what would they be? Cite scripture to support your answer.

24. In class, we have said “God is knowable, but He is not comprehensible.” Explain what that means, and cite scripture to support your answer.

25. In reference to the Trinity, what is significant about the word used for God in Genesis 1:1?

26. What is our source of authority for developing doctrine? Support your answer from Scripture.
27. Why was it important that Jesus Christ live a perfect, sinless life? Support your answer from Scripture.

28. Briefly state the doctrine of the Trinity.

29. Is it possible for us, while in our flesh, to understand the Trinity? Why or why not?

30. Why should we quote Scripture to an unbeliever, even if he/she does not acknowledge the authority of Scripture? I guess you’d better cite Scripture to support this one!
Section III: Contending for the Faith – Assume that a friend or acquaintance has made each of the following statements. If they are true, based on the Word of God, say so. If they are not, write “False” and explain why the statement is incorrect.

31. 1 Corinthians 8:1-5 proves that there are more gods than one.

32. The Father, Son and Holy Spirit were all involved in the creation of the world.

33. All the philosophical arguments, taken together, will not absolutely prove the existence of God, but the preponderance of evidence certainly leads to that conclusion. That’s what Paul is saying in Romans 1:20.

34. The Holy Spirit is described in the Bible as God’s divine power, the “force” behind His actions.

35. You Christians are polytheists, because you believe in three gods.
36. Every Christian doctrine can be supported by using the Old Testament alone.

37. Philippians 2:7-10 shows that Jesus was humiliated by becoming a man.

38. Jesus has always been in existence, and Proverbs 8:22-36 shows this.

39. The Son and the Spirit are just different manifestations of the same God. Isaiah 9:6 proves that Jesus is really the Everlasting Father.

40. The Holy Spirit is not eternal like the Father and the Son. It came into being on the Day of Pentecost. (Acts 2)
Section IV: Apologetics – Consider the following scenario, then frame your answer with Biblical proofs.

41. A co-worker comes to you at lunch and says “I see you always have your Bible with you. Can you tell me why in the world you believe in God?”
SESSION 7, PART 1 – ANTHROPOLOGY: THE IMAGE OF GOD

At the end of this lesson, you will be able to:

Define anthropology.
Discuss what is meant by the image of God in man.

Anthropology defined:

- The study of ________________, past and present.
- Biblical anthropology is the study of humankind as it relates to ________________.

The Bible tells us that man was specially created in the image and likeness of God. Genesis 1:26-27

- This is often referred to by the Latin Imago Dei, which means the ________________ of God.
- In the original Hebrew, it is tselem, which can be translated as image, likeness, resemblance, a representative figure.
- Tselem is ________________ an exact duplicate; it represents the original in an imprecise manner, so man was not created equal to God.
  - God’s image in us lacks the ________________ of the original.
  - But God made man in such a way as to ________________ some of His own perfections.
  - Originally, humans were created to be perfect in knowledge, righteousness, and holiness, exercising ________________ over the creatures on Earth. Genesis 1:26-1:27
Contrasting Views Regarding the Nature of God’s Image in Man.

- **Substantive View**: God’s image consists in a definite physical, intellectual, and spiritual way within the nature of man.
  - Tends to define God in terms of ____________________, which is not a good idea.
  - Physical characteristics of man are irrelevant because God is ____________________. John 4:24

- **Functional View**: the image of God is speaking to what man does.
  - God rules the ______________ and God ordained man to rule (have dominion) over the creation on Earth. Genesis 1:26 – 28
  - This is problematic in that God created man in His image ______________ He gave man dominion over creation. Therefore, there must be more to God’s image than just dominion.

- **Relational View**: when we interact by faith with Jesus Christ (in relationship with Him), we have the image of God restored in us. 2 Corinthians 3:18
  - Problematic in that ______________ people retain at least some of God’s image in them. Genesis 9:6; James 3:9

- **Reformed View**: God’s likeness in man is an intellectual, spiritual, moral and social likeness. Psalms 8:4-9; 1 Corinthians 15:42-49; Ephesians 4:22-24; Colossians 3:9-10
  - Combines elements of all three viewpoints already discussed.
  - The image of God in man is ________________, but not destroyed by sin.
  - In Christ, the image of God is restored, imperfectly in this life, but perfectly at Christ’s second coming.
REVIEW QUESTIONS: ANTHROPOLOGY: THE IMAGE OF GOD

1. What is your definition of Biblical Anthropology?

2. According to the Reformed View, man is said to reflect God’s image in four aspects. What are they?

3. Why is God’s image so poorly reflected in human beings today?

4. What does the work of Christ accomplish with respect to the *Imago Dei*?
SESSION 7, PART 2 – ANTHROPOLOGY: THE NATURE OF MAN

At the end of this lesson, you will be able to:
Discuss the nature of man as he was first created.
Discuss humankind’s purpose as directed by God.
Contrast the dichotomous and trichotomous views of man’s nature.

The Purpose of Humankind, according to God’s blessing. Genesis 1:27-28

a. Humans were to be ________________ and multiply.
b. Humans were to ________________ the Earth.
c. Humans were to ________________ the Earth and exercise dominion (or rule) over the Earth.

The Universal Food Source:
• Herbs and fruit were given for men and women to eat; humans were created as ________________. Genesis 1:29
• All animals were originally ________________. Genesis 1:30
• Humans and animals shared a perfectly balanced ________________ with no death or decay. The second law of thermodynamics did not apply. Genesis 1:31

Man’s Unique Place in Creation
• God simply ________________ the world into existence. Similarly, He created all living things. Genesis 2:7
• Adam was created in a ________________ way. Genesis 2:7
• Eve was also created in a unique manner. Genesis 2:21-22
• We are not just another species of animal; we were ________________ by God and received the ________________ of life directly from Him.
The Original State of Humankind

- We were the corporeal image of the incorporeal God.
- We shared a spiritual ____________ with God—man’s life was inbreathed of God.
- We had ____________ like God’s (sentient, intelligent, rational [and free?])
- Adam and Eve were created holy, pure, and without ____________.
- We possessed pure ____________.
- We exercised ____________ over creation.

The Constitution of Man

- Two theories are proposed by theologians.
  - Man is ____________, consisting of body and soul.
  - Man is ____________, consisting of body, soul and spirit.

- Arguments for a Dichotomous Nature:
  - Genesis 2:7 shows God breathed only one “thing” into man – a soul.
  - A number of references use soul and spirit interchangeably.
  - Matthew 10:28, 1 Corinthians 5:3 and 3 John 2 speak of body and soul comprising the whole person.
  - Humans can distinguish a physical body and an immaterial consciousness, but nobody can tell the difference between body and soul.

- Arguments for a Trichotomous Nature:
  - The “breath of life” in Genesis 2:7 is plural, and should read “breath of lives”.
  - 1 Thessalonians 5:23 clearly distinguishes between soul and spirit.
  - 1 Corinthians 2:14 and 1 Corinthians 3:1-4 establish a threefold organization of man’s being (natural, carnal, spiritual).
Pneuma (spirit) is distinguished from psyche (soul) in the New Testament. In **Matthew 27:50**, Christ is said to have given up His life by “dismissing His Spirit”, but surely He remained in possession of His soul.

SESSION 8, PART 2 – HAMARTIALOGY: THE IMPUTATION OF SIN

At the end of this lesson, you will be able to:
- Describe what is meant by imputation.
- Briefly discuss several theories about how sin is imputed.
- Show how the Bible supports the total depravity of humanity.

**To impute** is to ascribe something, such as righteousness or guilt, to a person or persons vicariously.

**Alternative views as to how sin is imputed:**

**Pelagian View:**
- Soul is created ________________ corruption at birth.
- Man is born with ________________.
- Adam’s sin is a bad example, but we are ________________ of original sin.
- God’s grace is ________________ and completely dependent on individual choice.

**Arminian View:**
- Adam’s sin caused our corrupted ________________, but not our guilt.
- We retain the ability to seek God when aided by the ________________.
- Since the Holy Spirit’s ________________ is universal, everyone has the ability to seek God.
Seminalism:

- Our union with Adam is a real, ________________, spiritual union.

- The union is ________________ because Adam contained the seed of the rest of humanity.

- We have all ________________ in Adam – his sin is our sin – and we all are subject to the penalty.

- All people have inherited Adam’s ________________ nature.

  - All sinned because of this natural corruption.

Federalism:

- We have all sinned in Adam – his sin is our sin - but the link is ________________ biological.

- Adam is the ________________ of the entire human race as Christ is the representative of all who believe in Him.
  - God tried Adam and found him guilty.
  - The entire human race is ________________ in Adam.
  - Even if we could live a perfect, sinless life, we would still be guilty of Adam’s sin.

- Arminianism and Pelagianism are related in that Adam’s sin was an ________________.

- Seminalism and Federalism are related in that both stress our ________________ with Adam.
**Teaching of Scripture on Imputation:**

- Scripture stresses our ____________ with Adam. *Romans 5:12-19; 1 Corinthians 15:22; 45-49*

- Scripture also stresses our solidarity with _____________.

- If we cannot accept the imputation of Adam’s sin we should not accept the imputation of Christ’s righteousness.

- And as we have borne the image of the *man* of dust, we shall also bear the image of the heavenly *Man*. *1 Corinthians 15:49*

**Sin is universal**

- Even if we were not guilty of Adam’s sin, we would still be ____________ because of our sin nature. *Isaiah 64:6*

- We all have plenty of our own ____________. *Psalms 53:2-3; Romans 3:23*

---

**REVIEW QUESTIONS: THE IMPUTATION OF SIN**

1. What is meant by imputation?

2. How do the Pelagian and Arminian views of imputation differ from the Seminal and Federal views?

SESSION 9, PART 2 – SOTERIALOGY: THE MECHANICS OF SALVATION

At the end of this lesson, you will be able to:
   Recount the role of each member of the Trinity with regard to salvation.
   Explain the different between common grace and efficacious grace.
   Refute common heresies regarding the atonement.

God the Father is responsible for ________________. Ephesians 1:4; 1 Peter 1:2; John 6:37
   • Looking at salvation from God’s perspective.
   • Election means to ________________ from a larger group of people.

God the Holy Spirit is responsible for ________________. John 3:5; 6:63; 16:8
   • Regeneration is also called being “born again” or “born of the Spirit.
   • God the Holy Spirit is also responsible for ________________ of Jesus.
     John 15:26
     o He does this primarily through the ________________ of God’s Word.
     o The Holy Spirit inspired the writers of scripture, and He enables human beings to understand them. (Romans 10:17)

God the Son is responsible for the ________________ and sanctification of the saints. 1 Corinthians 1:2; 2 Corinthians 5:21

Salvation from man’s perspective:
   • Only one responsibility: ________________. John 1:12; Acts 16:31;
     John 11:25-26
   • Even our ________________ is a gift from God. Ephesians 2:8-9
   • Salvation is accomplished by God’s grace alone.
Aspects of God’s grace:

- Grace, charis [5485] in the Greek, is __________________ favor.
- __________________ grace - The aspect of God’s grace that is common to and affects everyone. Psalms 145:9; Matthew 5:45
- __________________ grace - the grace of God that is effective for __________________. Romans 1:5; Acts 15:11; Ephesians 2:4-5

Contrasting views of the atonement:

- Limited atonement: Christ died only for the __________________.
  John 10:14-15; Revelation 5:9
  o This is the Calvinist, or Reformed view.
  o Stressing God’s sovereignty in election and salvation.
- Unlimited atonement: The death of Christ is for everyone, but only effective for those who accept it. Romans 6:10; Hebrews 7:27; 1 John 2:2
  o This is the Arminian view.
  o Stressing man’s responsibility to respond to a universal call to salvation.

Heretical views of the Atonement:

- Common thread: If the emphasis is on things man must do to __________________ himself before God, the view is contrary to what the Bible teaches!
- Salvation is a result of God’s grace and love that allows him to maintain His holiness and justice while reconciling the elect to Himself.
REVIEW QUESTIONS: THE MECHANICS OF SALVATION

1. What role does each member of the Trinity with regard to salvation?

2. What is the difference between common grace and efficacious grace?

3. What is the common theme among heresies regarding the atonement?
SESSION 9, PART 3 – SOTERIALOGY: DIVINE ELECTION

At the end of this lesson, you will be able to:
Discuss what the Bible says about the doctrine of Election.
Contrast opposing views with regard to the mechanics of Election.
Discuss the apparent dissonance between the sovereignty of God and the responsibility of man with regard to election.

Divine election defined:

- God has ___________________________ those who will be saved as members of the body of Christ. It follows, therefore, that God has also chosen those who will remain reprobate. Ephesians 1:3-6; John 6:37; John 6:44; Romans 9:18; 21-24
- However, other Scriptures point out that man is responsible for ___________________________ or rejecting Christ. Ezekiel 33:11; 2 Peter 3:9

Viewpoints on election:

- Pelagianism
  - Emphasizes human ability to choose God apart from any work by the ___________________________.
  - Teaches that human beings are fully ___________________________ of choosing to follow Christ on their own.
  - Emphasizes human ___________________________ as a means of salvation.
  - Generally considered a ___________________________ viewpoint.
  - In practice, some traditions are essentially semi-pelagian.
• Arminianism
  • Does not discount divine election, but emphasizes responsibility of man to make a choice.
  • God chose the elect by __________________ of who would exercise faith.
  • Faith is Man’s gift to God, which __________________ the new birth.
  • The call of the Holy Spirit is __________________ on man’s decision. Thus, the concept of decisional regeneration.
  • Holds __________________ view of God’s foreknowledge, which means that God elects based on His knowing how a person would respond to the call. *1 Timothy 2:3-4, 2 Peter 3:9, 1 Peter 1:2, Acts 17:30-31*

• Calvinism
  • Emphasizes God’s holiness and sovereignty.
  • God __________________ who would believe.
  • The call of the Holy Spirit is irristable.
  • Scriptural evidence is focused on numerous scriptures emphasizing predestination. *Romans 9:6-24; Ephesians 1:1-5*

**The Five Points Controversy:**

• Arminianism
  • Free __________________.
  • __________________ election.
  • Universal __________________.
  • Resistible call (of Holy Spirit).
  • Salvation can be __________________.

• Calvinism (TULIP)
  • Total depravity.
  • Unconditional Election.
  • __________________ Atonement.
Contenders Discipleship Initiative – Doctrine Student’s Guide

- Irresistible ____________________.
- Perseverance of the Saints.

Resolving the Controversy:

- From the eternal perspective, God ________________, God grants ________________, God ________________.
- From the temporal perspective, man is ________________ for accepting or rejecting Christ.
- God ___________ resolve issues our minds are incapable of sorting out!

  o Sometime after conversion, Christians can pray for and receive a second act of God’s grace they call the ________________ of the Spirit.
  o Prior to the second act of grace, the believer lives life in much the same manner as he/she did as an unbeliever. These are called ________________ Christians.
  o Only after the Holy Spirit fills them in this second act of grace are they able to make progress toward sanctification. These are called ________________ Christians.

• Eternal and Temporal Perspectives: Philippians 2:12-13

  - Matrimony
  - Anointing the sick
- Evangelical protestant churches generally identify two ordinances (or sacraments). They are __________________ and the __________________.
**Baptism:**

- Baptism is a profession of faith before the church.
- In baptism, the believer identifies with Christ’s death, burial and resurrection.
- Baptism does not, in itself, provide any _________________ on the person, but it is an important step in faith that God can richly bless.
- Sprinkling, pouring, or immersion are used, but _________________ is generally preferred in our tradition as it most closely symbolizes Jesus’ burial and resurrection.
The Lord’s Supper (Communion)

• Established by ____________________ Himself. Luke 22:19-20

• Jesus commanded the repetition of the Lord’s Supper as a remembrance, or ____________________ of His sacrifice. Matthew 26:29

• It proclaims the ____________________ of Jesus until He comes. 1 Corinthians 11:26

• It is a commemoration by which the believer ____________________ with Christ.

Church Discipline

Goals of Church Discipline

• **Goal 1**: The ____________________ of the individual involved in wrongdoing.

• **Goal 2**: To maintain the ____________________ of the church. (Christ’s bride)

• Church discipline is seen as _________________ rather than punitive.

• Church discipline should never be seen as extracting vengeful retribution.

Steps in Church Discipline

• Step 1: Reprove individual _________________. Matthew 18:15

• Step 2: Reprove individual with 2 or 3 _________________. Matthew 18:16

• Step 3: Reprove individual before the _________________. Matthew 18:17; 1 Timothy 5:20

• Step 4: ________________ the individual Matthew 18:17; 1 Corinthians 5:5 and withdraw from the individual completely. Romans 16:17 – 18
Characteristics of a True Church:

- A true church exhibits faithful __________________ of Biblical doctrine. 2 Timothy 2:15
- A true church has proper interpretation and __________________ of ordinances. 1 Corinthians 11
- A true church exhibits the Biblical exercise of church __________________. Matthew 18:15 – 20
- A true church __________________ each member for service and holiness. Colossians 1:28
- A true church encourages members to __________________ the lost. Matthew 28:19-20

SESSION 12, PART 1 – ESCHATOLOGY: THE DOCTRINE OF HELL

Eschatology is the study of the end times.
At the end of this lesson, you will be able to:
   Give a general description of the Biblical doctrine of Hell.
   Describe how the eternal state will differ from the intermediate state.

- After physical death, but prior to the ________________, souls of the saved and souls of the lost are conscious.
- Believers are with ________________. 2 Corinthians 5:8
- The lost are ________________ in torment. (Luke 16:23)
- The Bible does not support either the concept of annihilation or the concept of soul-sleep.
- When folks talk of Hell, they are usually thinking of this ________________ state, which is prior to the final judgment.

Hell in the Old Testament:

- The doctrine of Hell is not well-developed in the Old Testament.
- In Hebrew, the word is Sheol (7585)
  - Translated as death, the abyss, the realm of ________________ people. Psalm 6:5
  - Often simply translated as the ________________ Job 21:13
- The Jews believed Hell was divided into ________________ regions:
  - ________________ or Abraham’s bosom.
  - The place of ________________.
  - It is a place of ________________ existence.
  - There is an apparent ________________ of the opposite region.
    Luke 16:19-31
Hell in the New Testament

- There are two Greek words translated Hell.
  - **Hades** (86) – Region of departed ____________________.
    - It is for both the lost and for the ____________________.
    - **Hades** corresponds exactly to the Hebrew **Sheol**.
    - **Psalm 16:10, Acts2:27**
    - The term Hades is used 4 times in the Gospels, and always by Jesus, **Matthew 11:23; 16:18; Luke 10:15; 16:23**
    - Jesus is said to have the key to Hades and death, **Revelation 1:18**
    - This is the intermediate place of torment for the doomed, before they are cast into the Lake of Fire, **Revelation 20:13-14**

- **Gehenna** (1067) – The eternal state of the lost or condemned.
  - A place of ____________________ punishment.
  - Corresponds to the ____________________. **Revelation 19:20; 20:10; 20:14-15**
  - Place of God’s ____________________ and wrath. **Jeremiah 7:32; 19:6**
  - **Gehenna** is used 11 times in the gospels by ____________________. **Matthew 5:22; 29; 30; 10:28; 18:9; 23:15; 33; Mark 9:43; 45; 47; Luke 12:5**

- Other New Testament references to Hell:
  - **James 3:6** – Tongue is “set afire” of gehenna.
  - **2 Peter 2:4** – _________________ who sin are cast into gehenna.
  - Hell is a place of weeping, and _________________ of teeth. **Matthew 8:12; 22:13**
• Revelation’s Lake of Fire:
  • Called the second ________________. Revelation 20:14
  • It is the final state for Satan, Satan’s angels and all whose names are not in the Lamb’s ________________. Revelation 20:10; 15
  • It was prepared for the ________________ and his angels. Matthew 25:41
  • It is a place of ________________ torment. Revelation 14:11

SESSION 12, PART 2 – ESCHATOLOGY: THE DOCTRINE OF HEAVEN

At the end of this lesson, you will be able to:

Give a general description of the Biblical doctrine of Heaven.

Describe how the eternal state will differ from the intermediate state for those who die in Christ.

Heaven in Scripture:

- The Hebrew word *Shamyim* (8064) is used three ways:
  - Of the ________________, or realm of the sky, where birds fly. *Deut 4:16*
  - Expanse (______________) where sun, moon and stars are. *Genesis 1:14*
  - God’s ________________, or the dwelling place of God *Genesis 7-8*
- Greek word *Ouranos* (3772), translated ________________, conveys the same idea as in the Old Testament.

The “Third Heaven” is Described as:

- The Kingdom of ________________ and of God. *Ephesians 5:5*
- God the Father’s ________________. *John 14:2*
- A place we should be looking forward to. *Hebrews 11:16; Romans 4:13*
- A place to ________________. *Hebrews 11:16; Romans 4:13*
- Paradise. 2 Corinthians 12:2-4
- A place where the ________________ are excluded. *Ephesians 5:5; Revelation 22:15*
- The abode of ________________. *Matthew 18:10; 22:30*
- The New ________________. *Revelation 3:12; 21:2*

The Physical Heavens will not Endure. *2 Peter 3:10-13*

- The physical heavens we currently see will be ________________ along with the Earth at the second coming of Christ. *Job 14:12; Isaiah 34:4; Isaiah 51:6; Matthew 5:18; Revelation 21:1*
• The existing creation is destined to be replaced, but the promised new creation will endure forever. *Isaiah 66:22; Revelation 21:1*

SESSION 12, PART 3 – ESCHATOLOGY: THE SECOND COMING

At the end of this lesson, you will be able to:

Define eschatology.

- He knows exactly how history is going to play out, because He ___________________ it.
- He has purposed it, and He ___________________ bring it to pass.
- He has revealed His plan to an extent, but has not given us every ___________________.

Amillennialism

- There is no ________________ 1000 year earthly reign of Christ.
- We are now in the ________________ millennial period. Christ is now ________________ over the Kingdom of God on earth – although not all are members.
- Before the end there will be a great ________________.

SESSION 12, PART 4 – ESCHATOLOGY: THE 70 WEEKS PROPHECY

At the end of this lesson, you will be able to:

Distinguish between views regarding Daniel’s 70 weeks prophecy.
Identify the differences in scriptural interpretation that lead to these contrasting views.

Overview of the 70 Weeks Prophecy: Daniel 9:24-27

- Seventy weeks is literally seventy ________________.
  - Could mean 70 ________________ of years (490 years)
  - 70 weeks could indicate a ________________ but indistinct period of time.
    ▪ 7 is a perfect number
    ▪ 10 is a perfect number
    ▪ 7X10 is a complete era, divided into perfect periods suggested by the figure 7.
- During these 70 “weeks” six things are prophesied to happen:
  - Finish the ________________
  - Make an ________________ of sins (forgiveness).
  - ________________ people to God. (Deal with sin.)
  - Bring in everlasting ________________.
  - Seal up (or fulfill) the ________________ and prophecy.
  - Anoint the most ________________. (The Messiah, or the Christ)

The Fulfillment of the 70 Weeks Prophecy

- There would be seven weeks (of years) until ________________ is rebuilt.
  - That’s 49 Years.
  - This prophecy was fulfilled!
- In another 62 weeks, ________________ was to appear.
  - That’s another 434 years.
  - This prophecy was also fulfilled!
• There is general agreement about the first 69 weeks, but disagreement about the 70th week.
  o After 3.5 weeks, Messiah is to be cut off. (crucified)
  o The prince who is to come will _________________ Jerusalem (coming like a flood). This occurred in 70 AD.
  o The question is, does this occur at the end of the 69th week, or does this describe events during the 70th week?

**The Dispensational View:**

• Verse 26 is an _________________ which occurs after 69 weeks, but before the 70th week.

• Verse 27 describes the 70th week which will occur at the _________________ coming.

**The Reformed View:**

• Events in verses 26 and 27 occurred during the first century.

• Verse 26 describes the 70th week from the standpoint of ________________.

• Verse 27 describes the 70th week from the ________________ standpoint.

**REVIEW QUESTIONS: THE 70 WEEKS PROPHECY**

2. How does the interpretation of the personal pronoun "He" in verse 27 impact the interpretation of this passage?
SESSION 13, PART 1 – ESCHATOLOGY: THE END ACCORDING TO JESUS

At the end of this lesson, you will be able to:

Identify New Testament passages that describe the events of Jesus’ second coming.
Distinguish between views regarding the Church and the Great Tribulation.
Critically evaluate your view of end time events.

☑️ Jesus Discourse about the End of the Age: Matthew 24:25

• The disciples’ question was really three in one: Matthew 24:3
  o When will the ____________ be destroyed?
  o What is the sign of Jesus’ ________________?
  o What is the ________________ of the end of the age?
  o Jesus addresses all three issues in His discourse.

Summary of Matthew 24:4-14

• A number of coming events are ________________, including the arrival of false christs and false prophets, wars and rumors of wars, famines, earthquakes, persecution, apostasy, lawlessness and the chilling of mutual love.
• These are only the ________________ of woes, not the end.
• The ________________ must be preached to the entire world before the end comes.

Summary of Matthew 24:15-20

• The Abomination of Desolation (Daniel 11:31) likely has ____________ fulfillments:
  o ________________ Epiphanies in 167 BC
  o Worship of ________________ standards – 70 AD.
  o A future abomination of the ________________?
• Some believe Jesus is speaking of His ________________.
• Most events seem to point to the destruction of the ________________ in 70 AD.
• But these events might typify the future ________________.
Summary of Matthew 24:21-28

• This is a prophecy of the ________________.
• Jesus warns of false ________________ and false prophets.
• He indicates that the real second coming will not be ________________.
• Verse 28 may be a reference to a time when moral and spiritual degeneration resembles ________________.

Summary of Matthew 24:29-44

• Jesus here speaks explicitly about His ________________.
• Verse 31 is a point of controversy.
  o Pre-tribulation rapture view: The elect are the saints of ________________.
  o Post-tribulation view: This is the ________________ of all God’s elect.
• Our Lord’s emphasis is not on timing, rather it is on being ________________.

SESSION 13, PART 2 – ESCHATOLOGY: RAPTURE

At the end of this lesson, you will be able to:
Define the term “Rapture” as it applies to the Church.
Describe contrasting views with regard to the timing of the rapture.

✔️ Rapture Defined 1 Thessalonians 4:17

- Defined as being ______________ in the air as Christ returns for His church.
- The term itself does not appear in scripture.
- One can think of it as a kind of ______________ that happens before death.

The Dispensational Timeline

- Popularized by ______________ between 1830 and 1850.
- Edward Irving is thought by some to have brought Pre-tribulation rapture theory to Darby.
- Basic assertions of Dispensational Pre-Tribulation rapture:
  - Jesus will return ______________ to rapture His church prior to the Great Tribulation.
  - ______________ will come to power and make a treaty with Israel allowing the sacrificial Temple worship to resume.
  - After 3 ½ years, Antichrist will ______________ treaty and put an end to the sacrifice.
  - Jesus will return with His saints after 7 years to establish His ______________ kingdom.

Alternative Rapture Sequences:

- **Post-Tribulation** - Living believers raptured at the second coming of Christ, which occurs at the ______________ of the Tribulation.
- **Mid-Tribulation** – Living believers will be raptured after the ______________ begins, but before God begins to pour out His wrath.
**Partial Rapture** – Only believers who are ________________ and waiting for the Lord will be raptured at various times before and during the seven-year Tribulation.

**The Sequence of Events from Scripture:**

**1 Thessalonians 4:16-18**
- The Lord descends with a shout, voice of Archangel, and the ________________ of God.
- The ________________ rise first.
- The living are ________________.
- The ________________ will always be with the Lord.
- Nothing in this passage indicates a specific time for these events.

**1 Corinthians 15:50-52**
- The ________________ sounds.
- The ________________ rise.
- The living are ________________.
- Notice that this happens at the ________________ trumpet.

**Matthew 24:29-31**
- The ________________ ends.
- There will be cosmic upheaval.
- The ________________ of Son of Man is seen and Jesus comes.
- ________________ are sent with trumpet.
- The ________________ are gathered from the 4 winds (Earth?) and from all over heaven.

**Mark 13:24-27**
- The ________________ ends.
- Cosmic ________________ happens.
- The Son of Man is seen.
• ________________ are sent.
• The elect are ________________.

**Revelation 11:15-18**

• The seventh (last) ________________ sounds.
• God takes possession of ________________ of the world.
• The dead are resurrected for ________________.
• Prophets and ________________ judged for rewards.
• ________________ of the earth are destroyed.

**Revelation 20:4-6**

• The ________________ are resurrected.
• The ________________ reign 1000 years.
• The ________________ are resurrected.
• The unsaved are cast into the Lake of Fire which is the ________________ death.

**2 Thessalonians 2:1-8**

• The great ________________ occurs.
• The ________________ of evil is removed.
• ________________ is revealed in the temple.
• ________________ returns.
• Key to this passage: Who is the restrainer?
  o Dispensational theologians believe He is the ________________ acting through the church.
    ▪ In Genesis 6:3, the Holy Spirit “strives” or restrains men. (This might also be translated “abides”.)
    ▪ The church blesses society at large. (Matthew 5:13-16)
    ▪ When church is raptured, the Holy Spirit will withhold His special restraining ministry.

- Others propose human ______________ as the restrainer.
  - Because of man’s fallen state, nobody could live together without civil law. **1 Peter 2:13-14**
  - The presence of civil law ______________ (to a point) lawlessness on earth.
  - The removal of the restrainer refers to a complete ______________ in civil law, readying people to accept a one-world government under the antichrist.

- Still others propose Michael ______ the Archangel as the restrainer.
  - Michael is said to strive with Satan. **Revelation 12:7**
  - Michael is also said to stand watch over the people. **Daniel 12:1**

**The Doctrine of Imminence**

- Jesus could return at anytime, The Bible clearly says Christ’s return will be “as a thief in the night”, **Matt 24:42-44; Luke 12:40; 1 Thessalonians 5:2; Revelation 16:15**

**Below are potential objections that some have made to a Pre-Tribulation Rapture. These should be discussed in class and answers given.**

- It is not the emphasis of the Bible.
- An unbiased reading of relevant passages would not suggest this doctrine. 1 Corinthians 15 clearly says those still alive will be “caught up” at the last trump.
- It supposes there is more than one way to salvation. (pre-rapture saints, post-rapture saints, and descendants of Israel.)
- Despite its popularity, it is a relatively new doctrine. (Darby’s work began in 1827)
- It insulates our minds from the very real possibility of trial and tribulation.
- It ignores one of the very possible purposes of the great tribulation – the cleansing of the saints for the return of Christ!
- Rapture doctrine puts the focus on us – but we are to be focused on Jesus.
Conclusions:

- There are ________________ believers on both sides of the secret rapture viewpoint.
- A great deal of passion is evident from both sides.
- Is this an essential “bulls-eye” doctrine?
  - Probably not.
  - But it does warrant continued study.
REVIEW QUESTIONS: RAPTURE

1. What does the phrase “rapture of the church” mean?

2. According to Dispensational Theology, when will the rapture take place?

3. What are some alternative views on the timing of the rapture?
SESSION 13, PART 3 – ESCHATOLOGY: RESURRECTION

GLOSSARY

**Agnostic** - The word Agnostic derives from the negation of the Greek word [*gnosis*], which means esoteric knowledge of higher things. Agnostic means no-knowledge or not knowing. Agnostics generally believe that no one can know whether or not God exists. Some take a more liberal approach, saying "they" do not know, but that existence of a Deity might be possible.

**Amen** - means "so be it" or "it is certainly so."

**Amillennialism** - The eschatological view that there is no literal thousand year reign of Christ. The Millennium of Revelation 20 refers symbolically to the Church Age.

**Angelology** - is from the Greek [*aggelos*] meaning angel, and [*logos*] meaning word or discourse. So it means the discourse or the study of angels. The words translated angel appears over 200 times throughout the scriptures. In the Old Testament it is the Hebrew word [*malak*] and in the New Testament it is the Greek word [*aggelos*], from where we get the actual word Angel. In both the Hebrew and Greek (Old and New Testament) the words mean, a messenger.

**Antinomianism** - is from the Greek [*anti*] meaning opposed to, and [*nomos*] meaning Law. It denotes those who oppose God's law.

**Apostasy** - is from the Greek [*apostasia*], which means a departing or separating (2nd Thessalonians 2:3). In Christianity it is a forsaking or departing from the faith, principles, or truth, to which the Church previously held (1st Timothy 4:1, Hebrews 3:12). This abandonment or falling away from the faith is an opposite of the protestant reformation, which was the returning to the faith, principles, and truths which the Church formerly held.

**Apologetics** – Presents a rational basis for the Christian faith, defending the faith against objections.

**Arminianism** - The Reformed churches at the Synod of Dort (1618-1619) condemned this doctrine which is held by followers of late 16C Theologian Jacobus Arminius (1560-1609). The five points or articles which this doctrine holds to are:

1. Conditional Election
2. Universal Atonement
3. Inherent will to respond to grace
4. The resistibility of grace
5. The ability of the saints to fail to persevere.

His followers became known as the Remonstrants, or the Deniers because they believe that man is not totally depraved, but is inherently good, so that God elects people to be Saved on the basis of His foreseeing something good in them, that they repent and believe. This view is antithetical to the Reformed Doctrines of Grace.
**Atonement** - The process of bringing the estranged into a unity with God.

**Christology** - is from the Greek, *christos* meaning "anointed one," and *logos* meaning "word." By extension the words or discourse about the anointed one. This is the doctrine that deals with the person of Jesus Christ. It encompasses the theological study of both the divine and the human nature of the Savior, and the roles they play in Christianity.

**Dispensationalism** - is from the Greek *oikonomia* meaning an administration. It means an administration of time of epochs. Premillennial dispensationalism is a method of interpreting scripture popularized by John Nelson Darby (1800-1882), and the notes in the Scofield Reference Bible. This system divides history into epochs (eras) or extended periods called "dispensations," in which God deals with man in different economies for the presenting of His world program. In dispensationalism it is believed that ethnic Israel and the Church are separate and unequal bodies in God's dispensations.

**Doxology** - is from the two Greek words *doxa* meaning glory, and *logos*, meaning to speak. By implication the word logos can mean "word." These are the same Greek words found in your Bible that are translated "word" and "glory." So very literally, doxology means "words to glorify."

**Ecclesiology** - is from the Greek *ekklesia* meaning Church, and *logos* meaning word. By extension the word or discourse of the Church. It is the study of the Church and its origins. The purpose is to produce a deeper understanding of the body of Christ as seen in the light of divine revelation of God, received in faith.

**Eschatology** - is from the Greek *eschatos* meaning last, and *logos* meaning word or discourse. It is the theological Doctrine of the discourse of the last things, such as life after death, immortality, judgment, the coming of Christ, and the end time events.

**Election** - the biblical doctrine that God in His sovereignty chooses certain individuals to be saved.

**General Revelation** - Can be known by all: nature, history, conscience.

**Gnosticism** - is from the Greek *gnosis*, meaning knowing or knowledge, and implies a esoteric knowledge of higher things. It is not a system, but more a school of thought, or philosophical ideas which are generally related to mystery religions. In first 3 centuries A.D., many different groups believed men (Gnostics) were saved through this transcendental higher knowledge, which came not through God, but through self awareness and understanding. Basically, salvation by knowledge.

**Hamartiology** - comes from the Greek word *hamartos* meaning sin. Hamartiology is the study of sin. The study includes how sin was introduced into the world, how it impacts the world today, the solution to the sin problem of humanity, the judgment of sin, and the removal of sin at the end of time.

**Heresy** - is from the Greek [hairesis] meaning, choose, or "doctrines of men who have chosen to follow their own views." In general, heresy is a self-chosen doctrine not emanating from God's word. Any doctrine or teaching which is contradictory to established Church doctrine based on the Holy Bible is called a heresy.

**Hyper-Calvinism** - *[Hyper]* is a Greek word literally meaning to throw beyond, or to take farther, or to go beyond. Hyper-Calvinism is a theological system which goes beyond Calvinism.

**Infallible** – Cannot fail.

**Illumination** - Process/God causes His special revelation to be understood by human heart.

Koine Greek is also known as "Biblical", "New Testament" or "patristic" Greek.

**Pelagianism** - was a 5th-century heresy taught by Pelagius and his followers which stressed that humans have the ability to fulfill the commands of God apart from Sovereign grace, and which denies original sin. Pelagius' teachings were opposed by the Church and its leading figure (Augustine) in particular.
**Pneumatology** - from the Greek *numa* meaning breath (and by extension Spirit), and *logos* meaning word or discourse. It is the discourse or study of the Holy Spirit of God. It encompasses the study of His person, work, gifts, and ministry. The Spirit of God being manifested in many ways including teaching (John. 14:26), restraining sin (Genesis 6:3, 20:6), Revelation (Matthew 11:27), and interceding (Romans 8:26).

**Postmillennialism** - The eschatological view that Christ will return after 1000 years of righteousness on Earth which was initiated by the evangelical work of the Church.

**Reconciliation** - to be restored to a right relationship with God.

**Soteriology** - is from two Greek word *sozo* meaning Save, and *logos* meaning word or the word or discourse of Salvation. It is the doctrine of the study of God’s work in Salvation. How through the passion, death, resurrection, and ascension of Christ, man's redemption is accomplished.

**Special Inspiration** - Process God caused Special Revelation communicated to man.

**Special Revelation** - Given to some for all: spoken, written, Walking Word.

**Synoptic Gospels** - Matthew, Mark, and Luke. Synoptic means with one eye, signifying that the synoptic gospels, as opposed to the gospel according to John, tend to have the same perspective on Jesus’ ministry.

**Testament** - The name of each general division of the canonical books of the sacred Scriptures; the Old Testament; the New Testament. The name is equivalent to covenant, and in our use of it, we apply it to the books which contain the old and new dispensations; that of Moses, and that of Jesus Christ.

**Theology** - is from the Greek *theos* meaning God, and *logos* meaning word or discourse. It is the discourse or study of God and the revelation of His omni-perfect attributes, such as His Word, omnipresence, mercy, justice and purposes.
