CHRISTIAN DOCTRINE & SYSTEMATIC THEOLOGY

Second Course in CDI Program

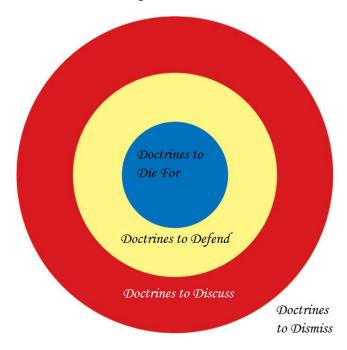

This course will help you as Christians know what you believe and why you believe it.

While the coursework for the **Contenders Discipleship Initiative** can be taken independently by utilizing the online resources, your learning experience will be greatly enhanced when the content is delivered in a classroom setting. This is most certainly true for **Systematic Theology and Christian Doctrine**.

This course gives you an overview of major Biblical doctrines, putting them in context of a systematic theology. While most evangelical Christians agree that doctrine should come from the Bible, the reality is that the influences of culture and church tradition often undermine the clear teaching of God's Word.

You will learn to evaluate various doctrinal viewpoints from Scripture and determine which doctrines are absolutely essential to the Christian faith. At the end of the course, you will produce your own statement of faith comprised of those doctrines for which you would be willing to die.

One of the greatest challenges is to distinguish between Biblically essential doctrinal viewpoints and those for which Christians might agree to disagree. This course uses the "target model" to facilitate making these distinctions.

At the end of each video session, you will be challenged to consider which concepts are absolutely essential to the Christian faith. These "bulls-eye" doctrines are those which are clearly taught in the Bible and should be part of every Christian's personal statement of faith.

There is no required textbook for this course. However, *Lectures in Systematic Theology* by Henry Thiessen is <u>highly</u> recommended. Thiessen presents systematic theology from a dispensational viewpoint. Because I, [Ken Ainsworth, your video instructor], tend to gravitate more toward a covenant theology, Thiessen's work will serve to broaden the perspective.

Suggested reading assignments from this textbook are included in the course schedule.

I've been privileged to teach this course a number of times over the years. Each quarter, I develop wonderful relationships with my students, several of whom have gone on to full-time pastoral ministry. Their questions challenge me to continue to search the Scriptures to find out whether these things are so Acts 17:11. I believe I've been able to challenge them in similar ways. My prayer for you is that you would have a similar experience. The study of Biblical doctrine is a life-long enterprise that fuels Christian growth and sanctification. May you have the incredibly rewarding experience of assisting others along that path.

HOW TO USE THIS GUIDE

This student's guide is used in conjunction with the online video course developed for *Bibliology and How to Study the Bible.*

As a first step, you must register prior to taking this course. Registration is found at http://www.vmcontenders.org/register.html

This guide is designed to be used as you attend either a pastor-led or self-study session of this course. This guide can help you in three ways:

- **1. Follow along with the video and take notes.** Space is provided in the guide to take notes as you work through the sessions.
- 2. Utilize worksheets: The student's guide includes activity worksheets which allow you to apply what you have learned. If you are going through this course as a self-study session, you may also want to download the Instructor's guide as well. The Instructor's guide has extra notes filled in as well as instructions to the pastors on how to conduct an assignment. Also, in the Instructor's guide, a teacher's copy of each worksheet, including answers and hints, follows the worksheet.
- **3. Assess progress:** Finally, this guide includes a final assessment that you can take to test your knowledge.

How the guide is organized.

This guide is broken into sessions that follow along with the course videos. Also in this guide are learning objectives, reviews, quizzes and a glossary of terms. The curriculum is designed to be presented in Module and Session sequence.

Each module also uses the following icons:

Icon	Meaning
ii	Group Activity These assignments will be conducted in class. For those distance learners, instructions are in your guide on how to complete these activities. <i>It is highly recommended that distance learners complete these activities.</i>
	Assignments Assignments for the class including outside reading.

♥	Key Point A specific item to remember.

Special Note

Christian Doctrine and Systematic Theology was recorded at Contenders Bible School of Machias Community Church.

These sessions, as presented in the Contenders Discipleship Initiative, have been broken into smaller segments for pastor/mentor-led classes as well as independent distance learners.

Pastor Ken's Student Guide has since been updated to match the structure of the video course as presented in the CDI and is available as the Student Guide on the CDI website.

If you have any feedback for CDI concerning the videos or this guide, please feel free to report them at http://www.vmcontenders.org/feedback.html. We look forward to hearing from you.

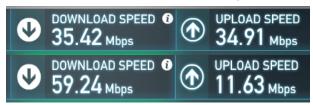

VIDEO TROUBLESHOOTING TIPS

What to do if the video is "choppy" when viewing it.

- 1. Let the video buffer before you view it. Buffering is a way of preloading the videos you watch. When you play a video, a light gray bar moves to show you how much of your video has been buffered. If you're experiencing choppy playback (video/audio out of sync), pause the video and allow the video to buffer for a few moments, and then start your video again. You may have to click on the play and stop button a couple of times.
- 2. Close other browser tabs and windows.
- 3. Make sure you have the latest version of your browser or switch to another browser to see if that helps. Visit the CDI website for a complete list of technical requirements.
- 4. Hold down the shift button on your keyboard and push the reload button on your browser. This will reset the cache in your browser, which may clear up the problem. Also you may want to clean your cache in your browser, if you don't already do this on a periodic basis. Each browser is different; please refer to the Help section in your browser for instructions.
- 5. If these tips don't work, try again! Sometimes the best way to fix a problem is just try it again.

Internet Speed Check

Although these videos will play on your tablet, Smart TV or computer, they do require Internet speed or bandwidth to play correctly. You can check your bandwidth by clicking this link http://www.speedtest.net and clicking the Begin Test button. Both of these in the example below are good.

If your speeds are not fast enough, or if you cannot connect to the Internet, you may want to download the videos to your device prior to class and view them directly from your computer. Another option is to have all of the videos on a thumb drive and to download these videos to your hard drive. Contact info@vmcontenders.org for more information on receiving videos on a thumb drive.

STUDENT EVALUATIONS

Contenders Discipleship Initiative uses a narrative evaluation approach rather than issuing grades during a student's course of study. A narrative evaluation is written feedback after the course that states what a student has learned during a period of study. The Contenders Discipleship Initiative Narrative Evaluation consists of two written evaluations: one from the pastor for each student attending a course and one from the student giving a self-assessment.

Each of the pastor's evaluations should be no more than two pages in length and include one or two brief paragraphs describing the course content and requirements followed by an assessment of the student's performance during the course. You should address the student's understanding of the course material, completion of tasks or assignments, attendance and participation in discussion. The pastor assessment can be found at:

http://vmcontenders.org/pastor_assessment.html

Your own evaluation is likewise two pages. It summarizes your accomplishments while taking the course, any new understandings achieved, and the student's goals for the future. Go over the assessment form during the first class. The student assessment form can be found at:

http://vmcontenders.org/student assessment.html

Fill this out at the end of the course.

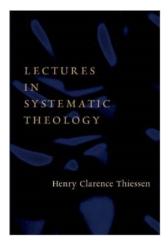

We ask that pastors keep a copy of the Student Evaluation together with the Pastor Evaluation for each course in a student file. Students should also be given a copy of the Pastor Evaluation and asked to keep these records. Students who subsequently apply to Village Missions will be required to submit copies of these evaluations to Village Missions for each course taken.

COURSE GOAL

This course gives students an overview of major Biblical doctrines, putting them in context of a systematic theology.

Theology is the study of God and how He relates to His universe through His sovereign will, His decrees and His works.

Systematic theology provides a framework for organizing the findings of theology. Theology is comprised of doctrines, which are teachings about God and His creation. The exclusive source for evaluating the veracity of doctrine must be God's special revelation which we have preserved in our Bible.

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.

2 Timothy 3:16-17

While most evangelical Christians agree that doctrine should come from the Bible, the reality is that the influences of culture and church tradition often undermine the clear teaching of God's word. Students in this course will learn to evaluate various doctrinal viewpoints from scripture and determine which doctrines are absolutely essential to the Christian faith. At the end of the course, students will produce their own statement of faith comprised of those doctrines for which they would be willing to die.

While not absolutely essential, it is highly recommended that you have first completed *Bibliology and How to Study the Bible* as the skills gained in that foundational course are invaluable for determining and evaluating Biblical doctrine.

Upon completing this course you will have a solid foundation for further study and will be able to identify aberrant teachings and heresy.

VIDEO SESSIONS, QUIZZES AND GUIDE BOOKS

The notes in the guides for each video session are designed to focus your attention on the most important points.

It is recommended that you to read through the notes **before** starting the corresponding video. This will allow give you a chance to look for the missing words as the video progresses.

At the end of most note guides, there will either be a short set of review questions, or a table entitled **Essential Doctrines**. These should be completed before moving on to the next video.

Exams and Quizzes

All exams and quizzes are open book, open note and open Bible. They are designed for review and for reinforcing key concepts. They are not primarily intended for evaluation. They should be assigned as take-home tests. The following session can then be used to evaluate ("grade") your own tests.

SESSION 1, MODULE 1 - INTRODUCTION TO DOCTRINE

At the end of this lesson, you will:
Know the scope and sequence of the course.
Define and contrast the terms "Doctrine" and "Systematic Theology"
The word "doctrine" is found in the Bible and means,,,
And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers.
Acts 2:42
All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.
2 Timothy 3:16-17
The study of God and how He relates to His universe is called
Theology, in contrast, is not a word we find by itself in the Bible.
It is derived from two Greek words: The first is theos, which means God. The second is logos, which literally means "word," but it is far more than just a word spoken or written on a page. It carries the idea of the sum total of everything there is to know about a subject.
Question:
How would you relate the two terms "doctrine" and "theology" to one another?
When we put everything we know about God into an organized framework, we have a

Start thinking about your personal statement of faith. It is to be a series of concise statements of what you believe with regard to your Christian faith, supported by applicable scripture. As we begin to look into the nature of God, you will want to start drafting your statement. As you learn more, you will add to the document, and perhaps modify the document to more closely conform to what is taught in the Bible. More information about this assignment to follow in Session 1, Part 3.

- Has what you believe about God changed since you became a Christian? If so, give one example.

SESSION 1, PART 3 – THE THEISTIC VIEW OF GOD

At the end of this session, you will be able to explain the following:

Define and distinguish typical world views with regard to theology.

The Beginning of Wisdom – Before viewing part 3 of the video, read and discuss the following:

 "The fear of the LORD is the beginning of wisdom, and the knowledge of the Holy One is understanding. Proverbs 9:10

The proper goal of theology must be to know God and draw closer to Him.

- "Now faith is the substance of things hoped for, the evidence of things not seen." Hebrews 11:1
- "... without faith *it is* impossible to please *Him*, for he who comes to God must believe that He is, and *that* He is a rewarder of those who diligently seek Him." **Hebrews 11:6**

From these passages, we learn that two preconditions necessary for pleasing God are 1) to believe He exists and

2) to believe He rewards those who seek Him.

Those two principles are the foundation of a **theistic** view of God.

Now view Session 1, Part 3 – The Theistic View of God

The belief system that actually denies that God exists:

"... because what may be known of God is manifest in them, for God has shown *it* to them. For since the creation of the world His invisible *attributes* are clearly seen, being understood by the things that are made, *even* His eternal power and Godhead, so that they are without excuse," **Romans 1:19-20**

- Ecclesiastes 3:11

REVIEW QUESTIONS: THE THEISTIC VIEW OF GOD

1. According to Hebrews 11:6, what two conditions are necessary before we can please God?

2. Can you think of something you recently did that might qualify you as a practical deist?

3. Do you think it is worthwhile to quote scripture to an individual who does not recognize the authority of the Bible? Why or why not?

ASSIGNMENT: PERSONAL DOCTRINAL STATEMENT

Your personal statement of faith is to be a series of concise statements of what you believe with regard to your Christian faith, supported by applicable scripture. You should limit your assertions to those core "bulls-eye" doctrines that are absolutely essential to your faith.

You may use any format with which you are comfortable; it certainly doesn't need to follow the format of the example. Whatever the format, your statement of faith should answer many of the following questions:

- 1. What do you believe about the Bible?
- 2. What is the nature of God?
 - a. What do you believe about the Trinity?

b. What do you believe about God the Father?

c. What do you believe about God the Son?

PERSONAL STATEMENT OF FAITH FOR KEN AINSWORTH (UPDATED FEB 26,2009)

I believe the Bible, in the original languages and autographs, to be the inspired, inerrant word of God and the final authority for all matters of faith and practice.

2 Timothy 3:16-17; Hebrews 4:12; 2Peter 1:19-21

I believe in one God, the Eternal Spirit, who existed from eternity past and will exist to eternity future. **Deuteronomy 6:4**. I believe the one God is eternally existent in three persons, The Father, Son, and Holy Spirit. **Genesis 1:2; Genesis 1:26; Matthew 3:16; John 1:1-3; John 6:27; Hebrews 1:8; Acts 5:3-4; John 14:16**God called the worlds into being, created man in His own image, and set before Him the ways of life and death. He is the Creator and Sustainer of all. **Genesis 1:1; Psalm 33:6; Isaiah 48:13; Hebrews 1:10**

In the person of Jesus Christ, fully God and fully man, He has come to us, shared our common lot, conquered sin and death and reconciled the world to Himself. I believe in Christ's virgin birth, His perfectly sinless life, His willing sacrifice of that life on the cross so that we as sinners may be justified before God. **Romans 5:6-9**

I believe that Jesus was raised (bodily) from the dead, appeared to many witnesses, then ascended to rule at the right hand of the Father, interceding for we believers.

Acts 1:11 I believe that He will come again to establish His earthly kingdom.

Revelation 22:12

I believe the Holy Spirit indwells Christians to draw them closer to God, teaching them God's Truth, **John14:26** testifying of Christ, **John 15:26** and helping them with their Christian walk. **John 16:7** He also convicts men of sin and of judgment to come. **John 16:8-11** It is the Holy Spirit who leads Christians to righteousness.

I believe the Bible, in the original autographs, to be the only inspired, immutable, infallible Word of God, **2 Timothy 3:16** given and interpreted by the working of the Holy Spirit **2 Peter 1:20-21**.

I believe that man is born into sin, is totally depraved, **Romans 3:23** and cannot have a relationship with the most holy God apart from Jesus Christ. But by accepting the free gift of salvation made possible by Christ's death and resurrection, the Christian is able to receive God's grace through faith, which is a gift of God. **Romans 10:9; Romans 3:25-26; Galatians 3:13; Ephesians 2:8-9** By the indwelling of God the Holy Spirit, the Christian is progressively sanctified and empowered to perform godly works according to the will of God. **Ephesians 2:10; James 2:15-20**

I believe that Jesus Christ indwells and empowers His Church, **Ephesians 1:22-23** for the edification of His saints, for evangelizing the lost, **Matthew 24:14; Matthew 28:19; Luke 24:47** and for glorifying God in this dark and darkening world. **Ephesians 3:10-12**

I believe in the bodily resurrection of all men, the saved to life, and the unsaved to condemnation. **John 5:29** I believe there is no work I can do to earn my salvation, so I must, through the faith granted to me by God, believe that Jesus paid my penalty in full so that I can spend eternity in heaven with Him. **Luke 10:20; John 14:2; Ephesians 2:8-9; Revelation 7:9)**

"If you confess with your mouth the Lord Jesus and believe in your heart that God raised Him from the dead, you will be saved." **Romans 10:9**

SESSION 2, PART 1 – THE ESSENCE AND ATTRIBUTES OF GOD

At the end of this lesson, you will be able to explain:

Why you believe God exists.

The Biblical view of God's existence.

The weakness of philosophical arguments in proving God's existence.

The Bible assumes God's existence.

In the beginning God created the heavens and the earth. Genesis 1:1

Ample evidence for God's existence:

- revelation is evidence for God's existence in the creation.

 Romans 1:19-20
- revelation is passed down to us in our Bibles. **Isaiah**55:11

Arguments from philosophy.

- Argument strictly taken from reason => a priori argument.
- Argument taken as a conclusion from observations => a posteriori argument.
 - Examples of a priori arguments:
 - Anselm's argument
 - Clarke's argument
 - Examples of a posteriori arguments:
 - Cosmological argument
 - Teleological argument
 - Moral argument
 - Concept of perfection
- Philosophical arguments give a body of evidence that is most easily explained by God's existence.
 - A philosophic principle stating one should not make more assumptions than the minimum needed is called
 - God's existence requires the fewest assumptions.

- Weakness of philosophical arguments => Starting with human intellect.
 - "There is a way that seems right to a man, but its end is the way of death." **Proverbs 14:12**
 - "Most assuredly, I say to you, unless one is born again, he cannot see the kingdom of God." **John 3:3**
- - "For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast." Ephesians 2:8-9
 - "The fool has said in his heart, There is no God. They are corrupt, and have done abominable iniquity; There is none who does good." Psalm 53:1

REVIEW QUESTIONS: THE ESSENCE AND ATTRIBUTES OF GOD

1. How does the Bible approach the existence of God?

2. Is there evidence for the existence of God outside of the Bible? Cite scripture to support your answer.

3. Is the primary weakness to any philosophical argument?

SESSION 2, PART 2 - THE NATURE OF GOD

At the end of this session, you will be able to list and describe:

Characteristics of God's essence.

God's essential attributes.

God is Spiritual.

God is personal:

- He has intellect.
- •
- He has emotion.
- He has will.
- He has definable attributes.

God's Spiritual Nature

- "God is Spirit, and those who worship Him must worship in spirit and truth."

 John 4:24
- "But will God indeed dwell on the earth? Behold, heaven and the heaven of heavens cannot contain You. How much less this temple which I have built!" 1 Kings 8:27
- "God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands. Nor is He worshiped with men's hands, as though He needed anything, since He gives to all life, breath, and all things." Acts 17:24-25
- God is not made of matter as we are; He is a _______being.

God's Personal Attributes

- Because God thinks, we know He has ______.
- In Scripture, we learn that God displays emotions such as...
 - _____
 - _____

REVIEW: ESSENTIAL DOCTRINES - THE NATURE OF GOD

For each of the statements below, place a check mark where they belong on our doctrinal target.

Doctrinal Statement	To Die For	To Defend	To Discuss	To Dismiss
God came into existence when the universe was created.				
God is absolutely sovereign and in complete control of His universe.				
God is self-existent and had no need to be created.				
God never sins, but He sometimes makes mistakes.				
God is an impersonal force.				
God gets angry.				
God will never change.				
There is nowhere we can go to escape God.				

SESSION 2, PART 3 - THE TRINITY

At the end of this lesson, you will be able to:

Describe what is meant by the Trinity.

Cite scriptural evidence for the Trinity.

List some common heresies regarding the Trinity.

Defining the Trinity

•	The Trinity presents a problem of comprehension because we cannot fully
	understand God in our flesh.

•	There is	God who eternally exists as
		distinct persons: Father, Son and Holy Spirit.

- Despite being three persons, God is one in essence. or He is essentially one.
- Despite being one God, each person of the Trinity is distinct.
- "When all the people were baptized, it came to pass that Jesus also was baptized; and while He prayed, the heaven was opened. And the Holy Spirit descended in bodily form like a dove upon Him, and a voice came from heaven which said, "You are My beloved Son; in You I am well pleased." (Luke 3:21-22)
- "For there are three that bear witness in heaven: the Father, the Word, and the Holy Spirit; and these three are one." 1 John 5:7-8

Father, Son and Holy Spirit are each 100% God.

- The Father is God by definition.
- "But to the Son He says: "Your throne, O God, is forever and ever; A scepter of righteousness is the scepter of Your kingdom." (Hebrews 1:8)

The writer of Hebrews cites Psalm 45 to indicate that the	
Himself calls the	God.

- "But Peter said, "Ananias, why has Satan filled your heart **to lie to the Holy Spirit** and keep back part of the price of the land for yourself? While
 it remained, was it not your own? And after it was sold, was it not in your
 own control? Why have you conceived this thing in your heart? You have
 not lied to men but to God." **Acts 5:3-5**
- Peter states that Ananias lied to the _______, and then says that the lie was directed at God. So the _______ is identified as God.

	 In John 17:11, the Father is described as Holy. In Mark 1:24, the Son is described as Holy. In John 14:26, the Spirit is described as Holy. In Revelation 15:4, it states that only is holy.

Doctrinal Statement	To Die For	To Defend	To Discuss	To Dismiss
God is one God; there is no other.				
God sometimes appears as the Father, sometimes as the Son and sometimes as the Holy Spirit.				
Jesus was the very first thing God created.				
The Holy Spirit is the force that carries out God's will.				
The Holy Spirit is 100% God and has always been in existence.				
The "oneness" of God is not in conflict with the three persons of God.				
Each person of the Trinity is co-equal and co-eternal.				
The fact that we cannot fully comprehend the Trinity does not mean that is untrue.				

SESSION 3: A LITTLE POP QUIZ

Answer the following questions, supporting your answer from Scripture when appropriate.

1. What is the source of authority and the basis for all doctrine?

2. a. Is there evidence of God's existence in the world and the universe?

b. Can the existence of God be proven apart from the Bible?

3. Is there any point in quoting Scripture to a non-believer who does not recognize the authority of the Bible? Why or why not?

4.	Give a a.	name for each of the following theological viewpoints: Insists that there is no God.
	b.	God exists, but He is not personal, nor is He directly involved in His universe.
	c.	Admits the possibility of God, but doubts it and believes it is impossible to
		know for sure.

- d. Believes in a personal, omnipotent, omnipresent God who is actively involved in His universe.
- 5. **True or False:** The doctrine of the Trinity states that there are actually three separate Gods: Father, Son and Holy Spirit.
- 6. **True or False:** There is only one God, but sometimes He shows up as the Father, sometimes as the Son, and sometimes as the Holy Spirit.

SESSION 3, PART 1 - CHRISTOLOGY: THE PRE-INCARNATE CHRIST

At the end of this lesson, you will be able to:

Give Biblical evidence for Christ's existence in eternity past.

Give Biblical evidence for Christ's activity in the Old Testament.

Give Biblical evidence that the appearances of the Angel of the Lord are preincarnate appearances of Jesus.

Before viewing the video, read and discuss the following:

So the Lord said to Moses, "I will also do this think that you have spoken; for you have found grace in My sight, and I know you by name." And he said, "Please show me Your glory." ThenHe said "I will make all My goodness pass before you, and I will proclaimthe name of the Lord before you. I will be gracious to whom I will be gracious, and I will have compassion on whom I will have compassion." But He said, "You cannot see my face; for no man shall see Me and live." (Exodus 33:17-20)

No one has seen God at any time. The only begotten Son, who is in the bosom of the Father, He has declared Him. (John 1:18)

For there is one God and one Mediator between God and men, the Man Christ Jesus. (1 Timothy 2:5)

In this session, we will encounter the term **Theophany**. A theophany is a manifestation of God that is tangible to the human senses. There are many theophanies in the Old Testament. For example, when God appeared to Moses in the burning bush (Exodus 3:2ff), Moses experienced a theophany. Considering the scripture references above, it is worthwhile discussing which of the Old Testament theophanies were actually Christophanies,or manifestations of the pre-incarnate Christ. In fact, some assert that all Old Testament theophanies were in fact Christophanies.

- Many believe the "Angel of the Lord" in the Old Testament was God the Son
- New Testament references to "The Angel of the Lord", Matthew 28:2, This cannot be Christ, he was in the tomb, Acts 8:26, Acts 27:23, probably not Christ.
- In the New Testament Christ is always idenditied as being Jesus.
- Paul indicates the activity of the pre-incarnate Christ:
 - "For they drank of that spiritual Rock that followed them, and that Rock was Christ." 1 Corinthians 10:4
 - The incident Paul refers to is in Exodus 17:6 where God provided water from the rock.
- Jesus, the only mediator between God and man. 1 Timothy 2:5, John 1:18

Jesus serves as our Prophet, our Priest, and our King.				
Because of the incarnation, God the Father is revealed to us.

• The cross is Christ's absolute ______ over Satan.

Hebrews 2:14-15

Why did Jesus have to die?

Fu	ndamental Questions from a Biblical Perspective:
1.	Is matter eternal?
2.	Was matter generated spontaneously?
3.	Is matter a form of God as the pantheists
	maintain?
4.	Are both God and matter eternal?
5.	Was matter created by another, antagonistic spirit,
	then merely formed by God?
6.	The Bible clearly teaches that God made everything

	Life originated by
	Species originate by a series of mutations.
Th	eistic Evolution:
	Evolution is the by which God created all life on Earth.
	God created earth with the ability to into present
	reality.
	God might be hands-off (Deistic point of view) or hands-on, guiding the
	process over time.

Progressive Creationism:

• Accepts present scientific model of the age of the earth.

- Reconciles it with the Bible by putting large _______ between each day.
- Has many problems in reconciling with Genesis account.

The Gap Theory

- Genesis 1:1 refers to original creation.
- Between verse 1 and 2, Satan ______ and was cast out of Heaven.
- The phrase "without form and void" indicates condition of destruction caused by the rebellion.
- Beginning with verse 2, God's ______ the heavens and earth.
- This explanation was put forth in the Scofield Bible notes.

Literal Creationist View:

- God created heavens and Earth in 6 literal days.
- God created all things from nothing by the power of His word.
- God created man ______; not through process of evolution.

Why did God create the Universe?

- The reason is not given.
- But God did create everything.
- And God also maintains His creation.

27. Why was it important that Jesus Christ live a perfect, sinless life? Support your answer from Scripture. 28. Briefly state the doctrine of the Trinity. 29. Is it possible for us, while in our flesh, to understand the Trinity? Why or why not? 30. Why should we quote Scripture to an unbeliever, even if he/she does not acknowledge the authority of Scripture? I guess you'd better cite Scripture to support this one!

Section III: Contending for the Faith – Assume that a friend or acquaintance has made each of the following statements. If they are true, based on the Word of God, say so. If they are not, write "False" and explain why the statement is incorrect.

31.1 Corinthians 8:1-5 proves that there are more gods than one.

32. The Father, Son and Holy Spirit were all involved in the creation of the world.

33. All the philosophical arguments, taken together, will not absolutely prove the existence of God, but the preponderance of evidence certainly leads to that conclusion. That's what Paul is saying in Romans 1:20.

34. The Holy Spirit is described in the Bible as God's divine power, the "force" behind His actions.

35. You Christians are polytheists, because you believe in three gods.

Contenders Discipleship Initiative - Doctrine Student's Guide
36. Every Christian doctrine can be supported by using the Old Testament alone.
37. Philippians 2:7-10 shows that Jesus was humiliated by becoming a man.
38. Jesus has always been in existence, and Proverbs 8:22-36 shows this.

40. The Holy Spirit is not eternal like the Father and the Son. It came into being on the Day of Pentecost. (Acts 2)

Section IV: Apologetics – Consider the following scenario, then frame your answer with Biblical proofs.

At the end of this lesson, you will be able to:

The Constitution of Man

- Two theories are proposed by theologians.
 - o Man is _____, consisting of body and soul.
 - o Man is ______, consisting of body, soul and spirit.
- Arguments for a Dichotomous Nature:
 - o **Genesis 2:7** shows God breathed only one "thing" into man a soul.
 - o A number of references use soul and spirit interchangeably.
 - Matthew 10:28, 1 Corinthians 5:3 and 3 John 2 speak of body and soul comprising the whole person.
 - Humans can distinguish a physical body and an immaterial consciousness, but nobody can tell the difference between body and soul.
 - Arguments for a Trichotomous Nature:
 - The "breath of life" in Genesis 2:7 is plural, and should read "breath of lives".
 - o **1 Thessalonians 5:23** clearly distinguishes between soul and spirit.
 - 1 Corinthians 2:14 and 1 Corinthians 3:1-4 establish a threefold organization of man's being (natural, carnal, spiritual).

Pneuma (spirit) is distinguished from psyche (soul) in the New
Testament. In Matthew 27:50, Christ is said to have given up His life
by "dismissing His Spirit", but surely He remained in possession of His
soul.

SESSION 9, PART 1 - SOTERIALOGY: THE ELEMENTS OF SALVATION

At the end of this lesson, you will be able to:

Explicitly describe what salvation means to the Christian.

List and define the various elements of salvation as revealed in Scripture.

Salvation is:

•	In the Greek: <i>Soteria</i> (4991) - Deliverance, preservation,
•	The deliverance, by the of God, from eternal punishment for sin which is granted to those who accept by faith God's conditions of repentance and faith in the Lord Jesus.
•	The only thing we bring to the table is our, and even that must be graciously given by God. Ephesians 2:8-9
•	Salvation is only available through John 14:6; Acts 4:12

Elements of Salvation:

- Regeneration the act of the Holy Spirit by which we are made alive in a

Heretical views of the Atonement:

- Common thread: If the emphasis is on things man must do to
 himself before God, the view is contrary to what the Bible teaches!
- Salvation is a result of God's grace and love that allows him to maintain
 His holiness and justice while reconciling the elect to Himself.

Incorporate a statement of the doctrine of sanctification into your statement of faith.

Sanctification Defined:

REVIEW: ESSENTIAL DOCTRINES - ASSURANCE OF SALVATION

For each of the statements below, place a check mark where they belong on our doctrinal target.

Doctrinal Statement	To Die For	To Defend	To Discuss	To Dismiss
God is the author of all aspects of salvation, election, regeneration, justification, sanctification and perseverance.				
It is impossible for one who is truly saved to permanently fall away.				
It may look like some believers fall away, but if they do so permanently, they were never saved in the first place.				
Assurance of salvation can be achieved by following the prescriptions found in the Bible.				
It is possible for a person to presumptively believe they are a Christian when they are actually not.

Doctrinal Statement	To Die For	To Defend	To Discuss	To Dismiss
In His discourse in Matthew 24 and 25, Jesus is answering a three part question about the destruction of the Temple, the end of the Age, and the sign of His coming.				
Jesus predicted the destruction of the Jerusalem Temple.				
Jesus predicted ongoing tribulation, persecution and apostasy during the Church age.				
Jesus predicted a pre-tribulation rapture of the Church.				
Jesus predicted that His saints would be protected from all physical harm.				
Jesus predicted a sudden second coming that will not be missed.				

SESSION 13, PART 2 - ESCHATOLOGY: RAPTURE

At the end of this lesson, you will be able to:

Define the term "Rapture" as it applies to the Church.

The Doctrine of Imminence

Jesus could return at anytime, The Bible clearly says Christ's return will be "as a thief in the night", Matt 24:42-44; Luke 12:40; 1
 Thessalonians 5:2; Revelation 16:15

Below are potential objections that some have made to a Pre-Tribulation Rapture. These should be discussed in class and answers given.

- It is not the emphasis of the Bible.
- An unbiased reading of relevant passages would not suggest this doctrine.
 1 Corinthians 15 clearly says those still alive will be "caught up" at the <u>last</u> trump.
- It supposes there is more than one way to salvation. (pre-rapture saints, post-rapture saints, and descendants of Israel.)
- Despite its popularity, it is a relatively new doctrine. (Darby's work began in 1827)
- It insulates our minds from the very real possibility of trial and tribulation.
- It ignores one of the very possible purposes of the great tribulation the cleansing of the saints for the return of Christ!
- Rapture doctrine puts the focus on us but we are to be focused on Jesus.

Conclusions:

- There are ______ believers on both sides of the secret rapture viewpoint.
- A great deal of passion is evident from both sides.
- Is this an essential "bulls-eye" doctrine?
 - o Probably not.
 - \circ But it does warrant continued study.

REVIEW: ESSENTIAL DOCTRINES - DIVINE JUDGMENT

For each of the statements below, check where they belong on our doctrinal target.

Doctrinal Statement	To Die For	To Defend	To Discuss	To Dismiss
Divine Judgment is the working out of God's mercy and wrath.				
People will be judged by whether or not they performed more good works than bad during their lives.				
God's judgment is at work in the world today, but it is not the final judgment.				
Judgment is based on an individual's response to the revealed will of God.				
Apart from faith in Christ, nobody can stand at God's judgment.				
Believers will be judged on their stewardship of gifts and responsibilities given to them, but it will not affect their standing in the kingdom of God.

GLOSSARY

Agnostic - The word Agnostic derives from the negation of the Greek word [gnosis], which means esoteric knowledge of higher things. Agnostic means no-knowledge or not knowing. Agnostics generally believe that no one can know whether or not God exists. Some take a more liberal approach, saying "they" do not know, but that existence of a Deity might be possible.

Amen - means "so be it" or "it is certainly so."

Amillennialism - The eschatological view that there is no literal thousand year reign of Christ. The Millennium of Revelation 20 refers symbolically to the Church Age.

Angelology - is from the Greek [aggelos] meaning angel, and [logos] meaning word or discourse. So it means the discourse or the study of angels. The words translated angel appears over 200 times throughout the scriptures. In the Old Testament it is the Hebrew word [malak] and in the New Testament it is the Greek word [aggelos], from where we get the actual word Angel. In both the Hebrew and Greek (Old and New Testament) the words mean, a messenger.

Antinomianism - is from the Greek [anti] meaning opposed to, and [nomos] meaning Law. It denotes those who oppose God's law.

Apostasy - is from the Greek [apostasia], which means a departing or separating (2nd Thessalonians 2:3). In Christianity it is a forsaking or departing from the faith, principles, or truth, to which the Church previously held (1st Timothy 4:1, Hebrews 3:12). This abandonment or falling away from the faith is an opposite of the protestant reformation, which was the returning to the faith, principles, and truths which the Church formerly held.

Apologetics – Presents a rational basis for the Christian faith, defending the faith against objections.

Arminianism - The Reformed churches at the Synod of Dort (1618-1619) condemned this doctrine which is held by followers of late 16C Theologian Jacobus Arminius (1560-1609). The five points or articles which this doctrine holds to are:

- 1. Conditional Election
- 2. Universal Atonement
- 3. Inherent will to respond to grace
- 4. The resistibility of grace
- 5. The ability of the saints to fail to persevere.

His followers became known as the Remonstrants, or the Deniers because they believe that man is not totally depraved, but is inherently good, so that God elects people to be Saved on the basis of His foreseeing something good in them, that they repent and believe. This view is antithetical to the Reformed Doctrines of Grace.

Atonement - The process of bringing the estranged into a unity with God.

Christology - is from the Greek, [christos] meaning "anointed one," and [logos] meaning "word." By extension the words or discourse about the anointed one. This is the doctrine that deals with the person of Jesus Christ. It encompasses the theological study of both the divine and the human nature of the Savior, and the roles they play in Christianity.

Dispensationalism - is from the Greek [oikonomia] meaning an administration. It means an administration of time of epocs. Premillennial dispensationalism is a method of interpreting scripture popularized by John Nelson Darby (1800-1882), and the notes in the Scofield Reference Bible. This system divides history into epocs (eras) or extended periods called "dispensations," in which God deals with man in different economies for the presenting of His world program. In dispensationalism it is believed that ethnic Israel and the Church are separate and unequal bodies in God's dispensations

Doxology - is from the two Greek words [doxa] meaning glory, and [logos], meaning to speak. By implication the word logos can mean "word." These are the same Greek words found in your Bible that are translated "word" and "glory." So very literally, doxology means "words to glorify."

Ecclesiology - is from the Greek [*ekklesia*] meaning Church, and [*logos*] meaning word. By extension the word or discourse of the Church. It is the study of the Church and its origins. The purpose is to produce a deeper understanding of the body of Christ as seen in the light of divine revelation of God, received in faith.

Eschatology - is from the Greek [*eschatos*] meaning last, and [*logos*] meaning word or discourse. It is the theological Doctrine of the discourse of the last things, such as life after death, immortality, judgment, the coming of Christ, and the end time events.

Election - the biblical doctrine that God in His sovereignty chooses certain individuals to be saved.

General Revelation - Can be known by all: nature, history, conscience.

Gnosticism - is from the Greek [gnosis], meaning knowing or knowledge, and implies a esoteric knowledge of higher things. It is not a system, but more a school of thought, or philosophical ideas which are generally related to mystery religions.

In first 3 centuries A.D., many different groups believed men (Gnostics) were saved through this transcendental higher knowledge, which came not through God, but through self awareness and understanding. Basically, salvation by knowledge.

Gospel - Gospel means "good news" or "glad tidings," specifically the Good News of Jesus' life, death, and resurrection for our salvation, healing, and provision; and the hope of eternal life that Jesus made available to us by God's grace.

Hamartialogy - comes from the Greek word *hamartos* meaning sin. Hamartiology is the study of sin. The study includes how sin was introduced into the world, how it impacts the world today, the solution to the sin problem of humanity, the judgment of sin, and the removal of sin at the end of time.

Heresy - is from the Greek [hairesis] meaning, choose, or "doctrines of men who have chosen to follow their own views." In general, heresy is a self-chosen doctrine not emanating from God's word. Any doctrine or teaching which is contradictory to established Church doctrine based on the Holy Bible is called a heresy.

Hyper-Calvinism - [Hyper] is a Greek word literally meaning to throw beyond, or to take farther, or to go beyond. Hyper-Calvinism is a theological system which goes beyond Calvinism.

Infallible - Cannot fail.

Illumination - Process/God causes His special revelation to be understood by human heart.

Inerrancy of the Scriptures - Scripture, having been inspired by God the Holy Spirit, is free from all falsehood, fraud, or deceit. The sinfulness and human limits of the writers of Scripture did not in introduce distortion or falsehood into God's Word.

Inspiration- "to breathe in."

Immutable - Cannot change.

Justification - to declare righteous, to make one right with God.

Koine - The common form of Greek spoken and written during Hellenistic and Roman antiquity. Koine is the language of the Christian New Testament, of the Septuagint (the 3rd-century BC Greek translation of the Hebrew Bible), and of most early Christian theological writing by the Church Fathers. Koine Greek is also known as "Biblical", "New Testament" or "patristic" Greek.

Pelagianism - was a 5th-century heresy taught by Pelagius and his followers which stressed that humans have the ability to fulfill the commands of God apart from Sovereign grace, and which denies original sin. Pelagius' teachings were opposed by the Church and its leading figure (Augustine) in particular.

Pneumatology - from the Greek [numa] meaning breath (and by extension Spirit), and [logos] meaning word or discourse. It is the discourse or study of the Holy Spirit of God. It encompasses the study of His person, work, gifts, and ministry. The Spirit of God being manifested in many ways including teaching (John. 14:26), restraining sin (Genesis 6:3, 20:6), Revelation (Matthew 11:27), and interceding (Romans 8:26).

Postmillennialism - The eschatological view that Christ will return after 1000 years of righteousness on Earth which was initiated by the evangelical work of the Church.

Reconciliation - to be restored to a right relationship with God.

Soteriology - is from two Greek word [sozo] meaning Save, and [logos] meaning word or the word or discourse of Salvation. It is the doctrine of the study of God's work in Salvation. How through the passion, death, resurrection, and ascension of Christ, man's redemption is accomplished.

Special Inspiration - Process God caused Special Revelation communicated to man.

Special Revelation - Given to some for all: spoken, written, Walking Word.

Synoptic Gospels - Matthew, Mark, and Luke. Synoptic means with one eye, signifying that the synoptic gospels, as opposed to the gospel according to John, tend to have the same perspective on Jesus' ministry.

Testament - The name of each general division of the canonical books of the sacred Scriptures; the Old Testament; the New Testament. The name is equivalent to covenant, and in our use of it, we apply it to the books which contain the old and new dispensations; that of Moses, and that of Jesus Christ.

Contenders Discipleship Initiative – Doctrine Student's Guide
