

# Village Missions Contenders Discipleship Initiative

## Syllabus

**Course:** **Old Testament Survey** – John 5:39-40; Luke 24:25-27, 44

**Video**

**Instructor:** **Cliff Horr**

Village Mission Pastor, San de Fuca Community Chapel

**Overview:** The goal of this course is to equip the student to correctly handle the Word of Truth using the Old Testament to present Jesus just as the earliest disciples did.

The Scriptures that Jesus used to declare himself the Messiah and that the Disciples and Apostles expounded as they preached “Christ and him crucified” were simply the Law of Moses, the Prophets and the Psalms.

Our approach in this class will be first to give the student an overview of the structure of the Old Testament and then of the individual books. We will take note of each book’s place in the history of Israel and of their relation to each other. Primarily, however, we will be most interested in learning to use the Law of Moses, the Prophets and the Psalms as the New Testament writers did: to reveal the person and work of God the Son.

This course requires no pre-requisite course work (although it is advised you should have already completed *Bibliology & How To Study the Bible* and *Christian Doctrine & Systematic Theology* before taking this class).

Outside assignments to include but not limited to:

- Review and embellish Old Testament Timeline
- Reading “Jesus On Every Page” – Murray
- Identifying major Types of Christ in every Old Testament book
- Christ in the Psalms
- Old Testament References in the New Testament
- Memorize order of the Old Testament Books
- Intro, Thesis, Outline, Conclusion for lesson or sermon on O.T. Type.

**Text Book:** JESUS ON EVERY PAGE by David Murray

ISBN: **1400205344**

## Course Objectives

Upon completing this course the student will have learned to recognize Jesus as he revealed himself prior to his incarnation and that the Old Testament Scriptures were and are in fact the ever-clarifying revelation of the Savior and rightful King of Kings.
